The Darkening Hour Penny Hancock,2013-08-29 Who do you trust Meet Theodora And Mona Two women from completely different walks of life forced by circumstances to live together under one roof Both women are at their wits end scared of losing the one thing that is most precious to them So when tensions boil over who will go to the most extreme lengths to survive Will it be Theodora finally breaking under the pressure Or Mona desperate to find a way out In a tale of modern day slavery and paranoia two women tell their sides of the story Who do you trust The author skilfully plays with the two narrators versions of reality as this dark and brooding novel races towards its genuinely scary conclusion Sunday Mirror Penny Hancock cranks up the tension in The Darkening Hours so when a murder is committed we don't know who to believe This thriller about a stressed out radio presenter who demands more and more from her elderly father's put upon carer is frighteningly plausible Thriller of the Month Good Housekeeping *Midget* Kate Valery,2020-12-27 The novel *Midget* Symphony of the Ocean is touching some of the most important modern topics the places of handicapped and mentally ill people in today's society It contains ever living values and ideas of good and evil talent and mediocrity love and hatred purity and foul honesty and lies willpower and weakness hypocrisy and truth punishment and crime The genius composer Jim Bogat is a midget severely handicapped from birth After death of his adoptive mother he ends up accidentally in a group home for mentally ill people Being the only one person in the house who is in his right mind he started noticing very strange things that are going on around The owner of the group home Mona Lainer uses a compulsion to pull naive and inexperienced Jim into a sexual relationship trying to prevent his investigative mind from discovering her dangerous secrets Noticing Jim's super talent in composing music Mona is stealing page by page the main creature of his life Symphony of the Ocean scheming to present her daughter as a genius composer and make her rich and famous However those are only the smallest of the crimes and abuses which are happening with all the residents of the group home There is hidden much more The young Ukrainian immigrant Lada the sister of a symphony orchestra conductor got involved in Jim's investigation and also in his almost impossible task to find his birth parents The tragic story of a famous rock star's family appeared on the way of Jim and Lada and unexpectedly helps them to organize the concert of Jim's dreams and to perform his symphony But will they survive the green eyed jealous Monster following on their steps What's happening with the group home mentally challenged residents in the forest 100 km away from the city while in the concert hall Jim's symphony is playing Will they survive

unexpected horrible disaster Or will the world collapse for Jim and Lada in the hour of the triumphal performance of his Symphony of the Ocean Mona's Choice Alexander,1887 *The Bad Dream Notebook* Linda Dahl,2017-08-01 John and Erica Mason Grey are hard working artists and loving parents but when John dies their teenage daughter Mona s casual drug use spirals into heroin addiction She and her mother soon begin an anguished game of hide and seek leading to countless arguments arrests thefts rehabs and relapse a recurring nightmare that seems to have no end Ultimately it s only when each of them finds a way to accept their new reality Mona by taking charge of her own recovery and Erica by focusing on her own vitality that each experiences the unexpected joy and renewal that await those who decide to stop living in the bad dream of addiction Unflinching about the ways the disease of addiction can torpedo a family yet leavened with dollops of humor The Bad Dream Notebook will resonate with anyone who has lived through the agony of a loved one s drug dependency **This Must Be the Place** Kate Racculia,2010-06-29 A sudden death a never mailed postcard and a longburied secret set the stage for a luminous and heartbreakingly real novel about lost souls finding one another The Darby Jones boardinghouse in Ruby Falls New York is home to Mona Jones and her daughter Oneida two loners and self declared outcasts who have formed a perfectly insular family unit the two of them and the three eclectic boarders living in their house But their small quiet life is upended when Arthur Rook shows up in the middle of a nervous breakdown devastated by the death of his wife carrying a pink shoe box containing all his wife s mementos and keepsakes and holding a postcard from sixteen years ago addressed to Mona but never sent Slowly the contents of the box begin to fit together to tell a story one of a powerful friendship a lost love and a secret that if revealed could change everything that Mona Oneida and Arthur know to be true Or maybe the stories the box tells and the truths it brings to life will teach everyone about love how deeply it runs how strong it makes us and how even when all seems lost how tightly it brings us together With emotional accuracy and great energy Kate Racculia s This Must Be the Place introduces memorable charming characters that refuse to be forgotten **Mona's Choice** Mrs. Alexander,1888 *Mona's Choice* Annie French Hector,1887 **The Mists of the Valley ...
