Money Cant But Love Can:

Money Can't Buy Love 1 Ali Parker, 2017-11-20 Sometimes love demands a second chance but it will never be bought no matter the amount Michael Carrington promised himself after losing his wife that he was done with love No more investing in anything he wasn't capable of walking away Sex and high dollar business deals would become the center of his world Throw in a touch of danger and he has all he needs outside of a new assistant Rainey Foster has finally graduated college and as a struggling single mom she just needs someone to give her a chance She's willing to go all in with the right employer as long as the buck stops there He can have her time her commitment and her attention but no one will ever have her heart again She thinks she has things figured out until she comes face to face with the illustrious Michael Carrington Powerful Confident Sexy as Hell Lust might ignite the flame between them but love will have its way

Money Can't Buy Love Connie Briscoe, 2011-06-02 From a New York Times bestselling author comes a quirky and outrageous story of a middle aged woman sitting behind the scenes of luxury until she wins the lottery and now has the money to buy everything she needs or does she Lenora Stone used to say if she didn't have bad luck she wouldn't have any luck at all At age thirty eight instead of socializing with Baltimore's A list she photographs them for Baltimore Scene a glossy magazine filled with beautiful people who unlike Lenora never have to worry about car trouble and overdue bills As much as she'd love to slam the door on her overbearing boss quitting isn't an option She's barely making her mortgage payments and though her condo might not be a palace it's hers Lately even things with her boyfriend Gerald haven't been right They've been together for three years but he can't seem to ask the one question she's been waiting for But what Lenora doesn't know is that her luck is about to change Just when she thinks things can't get worse Lenora wins the jackpot in the Maryland lottery In a heartbeat all her dreams become possible She quits her job and indulges her every desire starting with a shiny silver BMW and a million dollar mansion Gerald is finally ready to put a ring on her finger and the city's most exclusive women's group is dying for her to join officially moving Lenora from behind the lens into the limelight But in Lenora's lavish new world all that glitters definitely isn't gold Her old friends are concerned about her sudden changes and Ray a sexy young landscaper Lenora covered for the magazine is looking for more than a purely professional relationship As her life starts to come together the things Lenora holds dear begin to fall apart Has her world really changed for the better or does fortune come with a heavy price
