**How to Learn a Foreign Language: A Practical Guide with Tips and Resources** Jeff Blum, 2021-09-25 Learning a language can be a daunting process. Should you self-study, take a course, buy a software program, hire a private tutor? What kinds of learning systems are available and which might be right for you? How about the myriad online resources available? And very importantly, where should you begin? Oh, by the way, how long will all this effort take, anyway? You will find the answers to these questions in this short but thorough guide to learning a foreign language. Author Jeff Blum has taught English and studied four languages—Japanese, Spanish, Portuguese, and Thai—but he still struggles just as anyone must when learning a language. Jeff did extensive research on all aspects of language learning in an effort to improve his own efforts and he has carefully curated that research into this guide to help you with your efforts as well. In the book you will find:

1. A look at the systems and techniques advocated by various language learning experts and sites.
2. A consideration of personal factors in learning a language: motivation, personality, goals, etc.
3. A discussion of the 8 language learning blocks with recommended resources for tackling each.
4. An overview of the most popular language learning products on the market: Duolingo, Rosetta Stone, Pimsleur, etc.
5. A comprehensive set of resources to aid you with whatever approach to study you pursue. Whether you are young or old, beginner or advanced, studying your first foreign language or your fifth, there is something for you in this book. If you are a language teacher, this book might help you better understand what your students are up against while giving you ideas and
