Gaslight Melodrama Guy Barefoot,2016-10-06 In 1945 a year when American crime films were apparently moving out on to the streets of contemporary Los Angeles and New York one reviewer noted the emergence of a cycle of mystery and horror pictures placed in the gaslight era of the turn of the century For another critic it seemed that for Hollywood there was no world of today save the world of London by gaslight In Gaslight Melodrama Guy Barefoot examines the films that gave rise to such comments and the pattern of discourse that gave rise to such films The book s main focus is provided by 1940s Hollywood melodramas such as Gaslight Dr Jekyll and Mr Hyde and Hangover Square It also discusses a related cycle of British films that located murder and melodrama in Victorian or Edwardian settings and then looks beyond cinema to the Gothic novels of the 18th century 19th century discussions of gas lighting in street home and theatre and ambivalent 20th century responses to the Victorian era Combining close analysis of particular film texts with attention to cinema s cultural context Gaslight Melodrama provides an exploration of the ways in which the past has been the site of contested meaning and an examination of the network of melodramatic narratives embedded within familiar and lesser known examples of classical Hollywood cinema **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1892

Figures of the Imagination Roger

Hansford,2017-03-16 This new study of the intersection of romance novels with vocal music records a society on the cusp of modernisation with a printing industry emerging to serve people s growing appetites for entertainment amidst their changing views of religion and the occult No mere diversion fiction was integral to musical culture and together both art forms reveal key intellectual currents that circulated in the early nineteenth century British home and were shared by many consumers Roger Hansford explores relationships between music produced in the early 1800s for domestic consumption and the fictional genre of romance offering a new view of romanticism in British print culture He surveys romance novels by Ann Radcliffe Matthew Lewis Sir Walter Scott James Hogg Edward Bulwer and Charles Kingsley in the period 1790 1850 interrogating the ways that music served to create mood and atmosphere enlivened social scenes and contributed to plot developments He explores the connections between musical scenes in romance fiction and the domestic song literature treating both types of source and their intersection as examples of material culture Hansford s intersectional reading revolves around a series of imaginative figures including the minstrel fairies mermaids ghosts and witches and Christians engaged both in virtue and vice the identities of which remained consistent as influence passed between the art forms While romance authors quoted song lyrics and included musical descriptions and characters their novels recorded and modelled the performance of songs by the middle and upper classes influencing the work of composers and the actions of performers who read romance fiction
