## Muhammadman Of Allah:

**Muhammad, the Messenger of Allah** Abdurrahman Al-Sheha, Abdul Rahman Al-Sheha, 2005      *Muhammad's Allah*  
Ahmed Hulusi, 2012-05-02 Why not just Allah Why Muhammad s Allah This unique book explains that Allah is not a god deity and that this god concept we have all come to embrace as a result of misleading information and conditioning is not the Allah expounded by Muhammad saw Everyone from the most learned to the most ignorant has a concept of God A God that we love get angry with judge and even accuse at times for doing wrong by us We imagine this God who sits on a star in the heavens or dwells somewhere in space to be like a benevolent paternal figure or a majestic sultan Those with broader views are well aware of course that such a God cannot exist and claim they do not believe in a God proudly declaring themselves as atheists Whereas neither the aforementioned believers who postulate a God with their hearsay knowledge and conditionings nor the atheists who deny and reject the idea of a God have any awareness of Allah as explained by Muhammad saw So what is the reality of Allah revealed by Muhammad saw Muhammad saw who articulated the Quran to us taught us there is no God that there is only Allah that there is a System present within life by which those who fail to comply are led to suffer the consequences of their own actions If we live with the awareness of the existence of an afterlife our primary concern should be to know Allah and the life awaiting us after death so that we may prepare accordingly Taking this into consideration let us now try to understand the One denoted by the name Allah disclosed by Muhammad saw      **Muhammad the Prophet of Mercy** Haya Muhammad Eid, Humanity today is in the direst need for the gentleness of this mercy and its pure dew It is worried and confused straying through the labyrinths of materialism the hell of wars and the aridity of souls and hearts After presenting the meaning of mercy to humanity and fulfilling it himself the Messenger of Allah peace be upon him as commanded announces the essence of his Message wherefrom mercy to all existence gushes forth Say It is revealed to me that your God is only one God will you then be Muslims Qur an 21 108 This is the original element of mercy in this Message the element of absolute monotheism that saves humanity from the illusions of Jahiliyyah the burdens of idolatry the worship of creatures and the pressures of delusion and superstitions It builds life upon its solid foundations connecting it with the entire existence based on clear constant laws not fancies inclinations or interests It guarantees to every human their right of standing with their head raised for heads only bow to the Creator The One The Almighty This is the path to mercy so will you be Muslims      The Mysteries of Allah and His Muhammad Fatai Badmos, 2016-12-02 The Mysteries of Allah and His Muhammad is indeed a scanty summary of a potentially great debate However unwieldy or incomprehensible the actual details may be certain contexts of the whole or part can always be identified for discussion In the physique of mankind Allah manifests He does so on nature glaringly just as is inferred from various sections of the book Whilst He does the divinity of a being not more than a prophet is also undoubtedly established That co joining of the One and Only Creator and a creation a man Muhammad who coincidentally is most positively and negatively controversial should interest those who consider man to

be the meanest of God's creations. That we may not discount knowledge of any sort even that considered most sacrilegious science. God's inspiration to a mortal being. Muhammad corroborates too many ideas put forth by scientists or intellectuals discoveries and postulations. What a mystery that the lightbulb which in theory and description was already encoded in the Quran more than a thousand years ago before one bulb ever rolled out in a factory. Only simple minds take things for granted and give no thought to the grandiose schemes of our world and its elements. This book serves as a jolt to those who

oversimplify what is or the mysterious     **The Messenger of God: Muhammad** Fethullah Gülen, 2000 A compilation of Fethullah Gülen's sermons on the life of the prophet the book offers us a deeper understanding of God's Messenger through looking into his exemplary life from different aspects     **Muhammad and the Quran** Rafiq Zakaria, 1991 In this era of Middle Eastern turmoil Dr Zakaria cuts through Western hostilities to present an illuminating study of the Prophet

Muhammad's unique life and achievement. The essence of the Quran and the accompanying commentary reveal the depth and humanity of Islamic views on theology family life and the other great religions     **The Prophet Muhammad** Stephen Burge, 2020-11-12 I B Tauris in association with the Institute of Ismaili Studies Prophets serve as intermediaries between the human and divine worlds granting them a special status in history across diverse religions and cultures. For Muslims the Prophet Muhammad 570-632 CE represents the culmination of the line of monotheistic prophets including Abraham Moses and Jesus. In his own lifetime Muhammad overcame opposition and brought reforms firmly establishing a thriving community of believers which would become a major world civilisation. Today the Prophet's life and actions continue to inspire the Muslims worldwide. The Prophet Muhammad presents an illuminating portrait of Muhammad in his capacity as God's messenger and an exemplary figure to Muslims. Revealing the challenges and triumphs of prophecy Stephen Burge examines how prophets have inspired faith communities relationship with the Divine and one another. In doing so this engaging account elucidates the enduring influence of prophecy and the profound legacy of the Prophet Muhammad

*The Qur'an and Sayings of Prophet Muhammad* Sohaib Sultan, 2007 The timeless insight of Islam's sacred writings can enrich your own spiritual journey. For many in the West the teachings of the Quran often are enshrouded in mystery and fear. Yet Islam's holy book gave birth to one of the most powerful and enlightened civilizations the world has ever seen. By the sixteenth century Muslim culture stretched from India to Africa to Europe preserving with it the ancient learning that helped spawn the Renaissance. With its interwoven ideas of faith and reason justice and mercy the path of Islam which literally means surrendering to God's will offers a uniquely focused and balanced approach to living life with a profound awareness of God. With gentleness and insight Sohaib N Sultan leads you through the central themes of both the Quran and the collected sayings of Prophet Muhammad known as hadith. These teachings dispel common misconceptions about Muslim beliefs and offer practical guidance for your own spiritual journey from understanding the merciful nature of God to cultivating peace and justice in the self family and society to answering questions about the afterlife and how to attain it. Now you can

experience the wisdom of Qur'anic teachings even if you have no previous knowledge of Islam or Muslim writings. Insightful yet unobtrusive facing page commentary explains the texts for you, allowing you to enter into the path of surrender to God.
