**Multiculturalism and Libraries** Working Group on Multicultural Library Services (Victoria),1981 Paper by E G West annotated separately

*Beyond Article 19* Julie Biando Edwards, Stephan P. Edwards, 2010 *Beyond Article 19 Libraries and Social and Cultural Rights* addresses the subject of libraries and cultural rights a topic that has received relatively little attention in the past but which librarians and others concerned with human rights are beginning to recognize and talk about. Librarians have long been concerned with individual rights and have worked tirelessly indeed making it a basic tenet of the profession to protect and preserve those rights. Little has been written about the role that libraries can play in protecting and promoting group rights specifically cultural rights. This book examines this shortfall by exploring the relationship between libraries cultural rights and community life and identity. *Achieving Diversity* Barbara I. Dewey, Loretta Parham, 2006 Barbara Dewey and Loretta Parham join 50 other librarians including Tracie Hall, Emma Bradford Perry and Hannelore B. Rader to explore one of the major issues facing the profession diversity. This innovative guide explores how librarians can ensure that their services staff and collections truly reflect our multicultural society. Chapters cover strategic planning, recruiting and retaining minorities, reaching out to new users, marketing to underrepresented populations, building collections for marginalized groups, overcoming the digital divide, assessment and other important topics. The contributors provide numerous forms and documents including library diversity plans, residency and intern job descriptions, recruitment materials, programming plans and documents, and web resources. With guidance drawn from real experience in public and academic libraries, this unique guide will help to make diversity a reality in libraries. **Bridging Cultures** New York Library Association. *Libraries, Immigrants, and the American Experience* Plummer A. Jones, 1999-01-30 This is the first full length national scope treatment of American public library service to immigrants which was a central and continuing mission from 1876 when the American Library Association (ALA) was founded through 1948 when the ALA Committee on Work with the Foreign Born (CWFB) disbanded. It focuses on the leaders of the movement who provided immigrants with information, personal attention and the guidance they needed to adjust, survive and thrive.
