

Multiple Births

L.G. Keith, E. Papiernik

Multiple Births:

Quadruplets and Higher Multiple Births Marie M. Clay, Clay, 2011-12-14 The advent of hormonal infertility treatments and in vitro fertilization techniques have led to a sharp increase in the number of quadruplet and higher order conceptions in recent years Improved neonatal care and nutrition have meant that many more of these babies survive Yet it appears that very little research has been done into the lives of such children and the psychodevelopmental consequences of their multiple status In this book Marie M Clay brings together what is known from historical records and reports in the medical psychological and popular press She points to the contribution that research studies on higher multiple sets could make to our understanding of genetic environmental interactions and gives valuable methodological advice for those wishing to initiate such a study Changes in social practices and medical knowledge are highlighted various aspects of pregnancy and birth are discussed and the practical and emotional problems faced by families of multiple sets are sensitively described Appended to the book are an illustrated Catalog of quadruplet case reports gleaned from the literature including birth details and postnatal histories plus a directory of multiple birth associations support groups and study centers around the world

Twins, Triplets, and More Elizabeth M. Bryan, 1998-12-15 Twins and higher multiple births bring parents unique joys and unique challenges Dr Elizabeth Bryan founder of the Multiple Births Foundation addresses everything the parents of multiple births need to know from conception to adulthood For example The real difference among fraternal identical and half identical siblings Naming resisting the John and Jane urge Twin languages and their effect on speech development Treating multiples equally without homogenizing them How to ask for and manage help all parents of multiples need it Separation and independence getting the right mix The increased use of fertility drugs combined with the trend toward later motherhood has made multiple births more common than ever In frank but reassuring language Dr Bryan guides parents through the inimitable journey of parenting twins triplets and more *Having Twins and More* Elizabeth Noble, Leo Sorger, 2003

Considers the needs of prospective multiple birth parents *The Joy of Twins and Other Multiple Births* Pamela Patrick Novotny, 2011-08-17 A revised edition of the encouraging and comprehensive guide to the latest medical psychological and sociological finding on all aspects of caring for two or more infants at a time A vital practical guide detailing the care of infant twins and methods for parent survival Booklist Black and white photographs *The Relation of Age of Dam to Multiple Births in Domesticated Animals with Special Reference to Cattle* James Edward Rouse, 1917

Expecting Twins, Triplets, and More Rachel McClintock Franklin, M.D., 2005-04-01 Expecting two or more With humor hope and practical wisdom Dr Rachel Franklin helps you to better understand the unique circumstances of multiple pregnancy and birth From the time you hear the news to the time you take home your bundles of joy Expecting Twins Triplets and More will be an invaluable resource on what to expect how to cope and how to enjoy the journey This reassuring reference includes information on Telling family friends and coworkers the news Choosing a doctor Exercising and eating well Coping strategies

trimester by trimester Preparing for labor and delivery Understanding potential complications and their solutions Navigating the NICU Neonatal Intensive Care Unit Celebrating the births and bringing home the babies Expecting Twins Triplets and More is like having a friend who also happens to be a doctor share her experience and expertise to help you best take care of yourself and your babies at this very special time *Multiple Births* National Center for Health Statistics (U.S.),1967

Presents statistics for sets of multiple births occurring in the United States in 1964 Discusses trends in the incidence of multiple births and variations in rates for twin and triplet births by age of mother number of previous live births and race

Presents estimated rates for fraternal and identical twins For each state shows numbers of multiple births by live birth status sex plurality and race **Multiple Pregnancy** L.G. Keith,E. Papiernik,1995-04-15 From the Foreword by John J Sciarra M D
