Northrop, Debra Frankel, 2010. **Multiple Sclerosis, Fifth Edition** T. Jock Murray, 2017-10-28. An MS diagnosis is not an endpoint. This is the place to begin your education and manage your future. Now in its fifth edition, *Multiple Sclerosis: A Guide for the Newly Diagnosed* is the best-selling guide to multiple sclerosis (MS) for newly diagnosed patients and their families. Written in plain language by renowned MS expert physician T. Jock Murray, this book guides patients at any stage who want to know more about the disease, its potential impact on your life, and the medical treatments now available for managing it successfully. The fifth edition is updated to reflect recent advances in understanding the underlying mechanisms and disease progression, the diagnostic criteria and classification of MS, and new drugs and therapies. This book opens the window on an MS diagnosis and provides answers to the multitude of questions patients will have so they can take charge and make informed decisions about their health and treatment. **Family Practice Guidelines, Third Edition** Jill C. Around the globe, families are often faced with a variety of health issues, often as a result of social, political, religious, and economic forces. This multidisciplinary volume addresses the impact these issues have on the family as a unit, how they impact family relationships, as well as how the family as a whole responds.

The Complete Directory for People with Chronic Illness Sedgwick Press, 2005. This informative resource provides a comprehensive overview of the support services and information resources available for people diagnosed with a chronic illness. Thousands of hours of research have gone into this 2005-06 edition; hundreds of new entries have been added, and thousands of enhancements have been made to existing entries. This widely hailed directory is structured around the 90 most prevalent chronic illnesses, from Asthma to Cancer to Wilson's Disease, and provides a comprehensive overview of the support services and information resources available for people diagnosed with a chronic illness. Each chronic illness has its own chapter and contains a brief description in layman's language, followed by important resources for National, Local, Organizations, State Agencies, Newsletters, Books, Periodicals, Libraries, Research Centers, Support Groups, Hotlines, Web Sites, and much more. Two indexes provide quick access to this wealth of information: Entry Index and Geographic Index. This directory is an important resource for health care professionals, the collections of hospital and health care libraries, as well as an invaluable tool for people with a chronic illness and their support network. **Family Practice Guidelines, Fourth**
