Mummy Lives:

The Mummy's Ransom Fred Hunter, 2014-09-16 The Mummy's Ransom by Fred Hunter A controversial exhibit of Chinchorro mummies is about to open in Chicago at Dolores Tower the latest building by the equally controversial local developer Louie Dolores The mummies dating from 2000 to 7000 BC are incredibly fragile making their transportation and display very risky Even worse the pending exhibition is being protested by a group who regard the exploitation of the mummies to be desecration of their ancient dead leading to both tension and excitement over the coming opening Lucky for Chicago Police Detective Jeremy Ransom none of this has anything to do with him He figures as long as he can keep his friend the elderly Miss Emily Charters away from the opening then there won't be a murder and he won't have to get involved But first there are reports that a mummy is moving around the exhibit at night then there are death threats against the developer and when one night alone in the exhibit Louie Dolores is attacked by one of the mummies Ransom is assigned to find out what's going on With the sharp wits and intelligence of Emily at his beck and call Ransom has to sort out the truth in what could be his strangest assignment ever before the a volatile situation turns fatal

Mummies around the World Matt Cardin, 2014-11-17 Perfect for school and public libraries this is the only reference book to combine pop culture with science to uncover the mystery behind mummies and the mummification phenomena Mortality and death have always fascinated humankind Civilizations from all over the world have practiced mummification as a means of preserving life after death a ritual which captures the imagination of scientists artists and laypeople alike This comprehensive encyclopedia focuses on all aspects of mummies their ancient and modern history their scientific study their occurrence around the world the religious and cultural beliefs surrounding them and their roles in literary and cinematic entertainment Author and horror guru Matt Cardin brings together 130 original articles written by an international roster of leading scientists and scholars to examine the art science and religious rituals of mummification throughout history Through a combination of factual articles and topical essays this book reviews cultural beliefs about death the afterlife and the interment entombment and cremation of human corpses in places like Egypt Europe Asia and Central and South America Additionally the book covers the phenomenon of natural mummification where environmental conditions result in the spontaneous preservation of human and animal remains

Harry Alan Towers Dave Mann, 2014-11-03 Harry Alan Towers reputation rests upon a corpus of 95 low budget productions shot post haste in every corner of the globe He took an integral part however in the development of the protocols that now underpin much transnational film production and he must be regarded as a pioneer Towers slash and burn strategy focused on parasitic back to back productions funded by rights bundles that were pre sold globally This strategy was substantially derived from his early days in broadcasting wherein he acted as a go between in the American and the British Commonwealth markets Though he became adept at procuring funds from pariah regimes and black market economies primarily he continued to act as a broker bringing together American equity investment and European finance
