studies and in depth analysis give hope to cities everywhere Transience is not a fait accompli rather the actions of citizens residents and migrants even in the highly restrictive spaces of the Gulf show us that the future metropolis may very well not turn out to be a utopia of the few and a dystopia of the many This could be an illusion but it is a necessary illusion because the alternative is irrelevance     **"The" Athenaeum** ,1874     **The Nation** ,1881     Insight Guides Munich Insight Guides,Insight Guides Staff,1997-09-01
