policy specifically advanced commodification and colonization McLerran reviews its multi pronged effort to improve the market for Indian art through the Indian Arts and Crafts Board arts and crafts cooperatives murals museum exhibits and Civilian Conservation Corps projects Presenting nationwide case studies that demonstrate transcultural dynamics of production and reception she argues for viewing Indian art as a commodity as part of the national economy and as part of national political trends and reform efforts McLerran marks the contributions of key individuals from John Collier and Rene d Harnoncourt to Navajo artist Gerald Nailor whose mural in the Navajo Nation Council House conveyed distinctly different messages to outsiders and tribal members Featuring dozens of illustrations A New Deal for Native Art offers a new look at the complexities of folk art revivals as it opens a new window on the Indian New Deal [Adult Learners Welcome Here](#) Marguerite Crowley Weibel,2007 Designed to help librarians connect new adult readers with books and to acquaint literacy teachers with materials generally available in their public library This book outlines the library's role in fostering adult literacy and shows how popular library materials can be used by librarians and teachers in new and innovative ways
