Companion to Agatha Christie on the 25th anniversary of Agatha Christie's death continues as a grand salute to the queen of mysteries. It is filled with wonderful and surprising things about her books, her characters, the movies and plays based on them, and Dame Agatha herself. Original contributions by some sixty writers celebrate the Christie touch. Take your pick among these intriguing features and speculations: Surviving an English country weekend if you had the advice of Hercule Poirot; A guide to the Christie poisons as well as the cruder methods of genteel mayhem; The other Agatha Christie who wrote romantic novels; A murder victim's first person account of a Christie Mystery Weekend; The Hercule Poirot Double Crostic and other puzzles; That's a taste. There's much more and witty plot summaries of all Christie's novels, plays, and many of her short stories. But no endings of course. This treasury is more than entertainment; it is also a personal reference work for Christie fans. And there are scores of movie posters, film stills, illustrations, and a Christie mystery map too.
