Murder By The Tale:

Murder by the Tale Dell Shannon, 2014-11-21 A perfect collection of short stories for Dell Shannon fans and mystery lovers everywhere featuring eight cases of her popular Lieutenant Luis Mendoza alongside six intriguing non series tales Mysteries include the case of an exasperated husband who may have murdered his nagging wife but would he have killed his beloved pet as well A young girl dies in an accident when a parked truck slips its brakes and slams into the house where she is staying And a nursing home resident suspects that old age is not the only thing eliminating his neighbours My favourite American crime writer New York Herald Tribune *The Critics and the Prioress* Hannah Johnson, Heather

Blurton, 2017-04-19 Of all the Canterbury Tales Geoffrey Chaucer's Prioress's Tale in which a young schoolboy is murdered by Jews for singing a song in praise of the Virgin Mary poses a problem to contemporary readers because of the antisemitism of the story it tells Both the Tale's antisemitism and its Chaucerianism its fitness or aptness as part of the Chaucerian canon are significant topics of reflection for modern readers who worry about the Tale's ethical implications as well as Chaucer's own implications Over the past fifty years scholars have asked Is the antisemitism in the tale that of the Prioress Or of Chaucer the pilgrim Or of Chaucer the author Or indeed whether one ought to discuss antisemitism in the Prioress's Tale at all considering the potential anachronism of expecting medieval texts to conform to contemporary ideologies *The Critics and the Prioress* responds to a critical stalemate between the demands of ethics and the entailments of methodology The book addresses key moments in criticism of the Prioress's Tale particularly those that stage an encounter between historicism and ethics in order to interrogate these critical impasses while suggesting new modes for future encounters It is an effort to identify engage and reframe some significant and perennially repeated arguments staked out in this criticism such as the roles of gender aesthetics source studies and the appropriate relationship between ethics and historicism *The Critics and the Prioress* will be an essential resource for Chaucer scholars researching as well as teaching the Prioress's Tale Scholars and students of Middle English literature and medieval culture more generally will also be interested in this book's rigorous analysis of contemporary scholarly approaches to expressions of antisemitism in Chaucer's England **On murder**
