Dresner, 2014-12-24 In this book the author examines

how women detectives are portrayed in film in literature and on TV Chapters examine the portrayal of female investigators in each of these four genres the Gothic novel the lesbian detective novel television and film

Twentieth-Century Crime Fiction Gill Plain, 2020-01-21 Twentieth Century Crime Fiction is an illuminating and challenging critical study of this ever popular genre In the book Gill Plain uses contemporary theories of gender and sexuality to challenge the dominant perception of crime fiction as a conservative genre The rise of lesbian detection and the impact of serial killing are considered alongside detailed analyses of works by popular writers such as Agatha Christie Raymond Chandler Dick Francis and Sara Paretsky Beginning with a radical reconceptualisation of genre categories the book goes on to consider recent revisions and reappropriations of the form The final section focuses on textual pleasure and the destabilising of genre boundaries raising the timely question of whether the queering of crime fiction represents a revitalising paradigm shift or the conceptual collapse of the genre The first substantial critical work on twentieth century crime from a gender perspective Provides in depth textual analysis often missing from studies of popular fiction Reappraises the framework within which crime fiction might be studied and taught Sets key canonical crime writers alongside both radical innovators and best selling populists of the genre
