Chicago's WLS Radio Scott Childers, 2008 From its early days as the farmer s companion to over a quarter century as the nation s premier rock and roll station WLS has touched the lives of millions of listeners Many well known celebrities like Gene Autry owe their careers to the Big 89 through the famous Saturday night program The National Barn Dance Local personalities such as Dick Biondi Larry Lujack and John Records Landecker became household names thanks to Chicago s 50 000 watt blowtorch The images in Chicago s WLS Radio scan the entire history of the station featuring engaging hosts the biggest stars and lots of fun The book also covers WLS s move in the 1990s to become a leader in the news and talk format

An Architectural Approach to Instructional Design Andrew S. Gibbons, 2013-10-30 Winner of the 2014 AECT Design Development Outstanding Book Award An Architectural Approach to Instructional Design is organized around a groundbreaking new way of conceptualizing instructional design practice Both practical and theoretically sound this approach is drawn from current international trends in architectural digital and industrial design and focuses on the structural and functional properties of the artifact being designed rather than the processes used to design it Harmonious with existing systematic design models the architectural approach expands the scope of design discourse by introducing new depth into the conversation and merging current knowledge with proven systematic techniques An architectural approach is the natural result of increasing technological complexity and escalating user expectations As the complexity of design problems increases specialties evolve their own design languages theories processes tools literature organizations and standards An Architectural Approach to Instructional Design describes the implications for theory and practice providing a powerful and commercially relevant introduction for all students of instructional design
