New Mermaids:

Selections from the Asiatic Journal and Monthly Register for British India and Its Dependencies: Vols. 14-28, July 1822 to December 1829 ,1875 *Economies of Early Modern Drama* Anne Enderwitz,2025-05-28 This book provides new insights into how theatre responded to changing economic practices and structures It reviews discourses on household management and commerce to create a rich context for the discussion of socio economic actions and transactions in Macbeth Othello and Timon of Athens as well as in city comedies by Ben Jonson and Thomas Middleton By approaching discourses on economy and commerce as complementary the book opens up a diverse field of socio economic practices including the gendered division of duties in the household new modes of valuation and evolving credit instruments Theatre provides unique access to this field In contrast to practical and policy oriented discourses it addresses socio economic change and its vicissitudes in a spirit of experimentation testing the ethical limits of socio economic action and accustoming audiences to the demands of a changing socio economic reality Theatre thus offers a vital contribution to the prehistory of political economy On the London stages self interest emerges as a key motive of socio economic action and theatre playfully explores its ambiguous status as a partly rational and partly excessive force that has a new ordering function but also creates social conflict At the same time by staging the contradictory demands of ethics and efficiency in economic decision making early modern plays offer access to a changing understanding of prudence that has a Machiavellian touch by aligning with the pursuit of private interest prudence sheds some of its ethical content and becomes foremost an instrumental faculty **New Mermaids (STOM).** , *Asiatic Journal and Monthly Register for British and Foreign India, China and Australasia* ,1823

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
