Freud, Architect Volker M. Welter, 2011-10-01 Ernst L. Freud 1892-1970 was a son of Sigmund Freud and the father of painter Lucian Freud and the late Sir Clement Freud politician and broadcaster After

his studies in Munich and Vienna where he and his friend Richard Neutra attended Adolf Loos's private Bauschule Freud practiced in Berlin and after 1933 in London. Even though his work focused on domestic architecture and interiors, Freud was possibly the first architect to design psychoanalytical consulting rooms including the customary couches a subject dealt with here for the first time. By interweaving an account of Freud's professional and personal life in Vienna, Berlin, and London with a critical discussion of selected examples of his domestic architecture, interior designs, and psychoanalytic consulting rooms, the author offers a rich tapestry of Ernst L. Freud's world. His clients constituted a Who's Who of the Jewish and non-Jewish bourgeoisie in 1920s Berlin and later in London, among them the S. Fischer publisher family, Melanie Klein, Ernest Jones, the Spenders, and Julian Huxley. While moving within a social class known for its cultural and avant-garde activities, Freud refrained from spatial formal or technological experiments. Instead, he focused on creating modern homes for his bourgeois clients.

Rilke Charlie Louth, 2020-06-19. The life of Rilke's work is in its words, and this book attends closely to the development of that life as it unfolds over Rilke's career. What is a poem, and how does it act upon us when we read? This is a question of the greatest interest to Rilke, who addresses it in several poems, and for whom the experience of reading affords an interaction with the world, a recalibration of our ways of

attending to it which set it apart from other kinds of experience Rilke's work is often approached in periods he is the author of the *Neue Gedichte* or of *Malte* or of the *Duino Elegies* or of the *Sonette an Orpheus* as if the different phases of his work had little to do with one another but in fact it is a concentrated and evolving exploration of the possibilities of poetic language a working of the life of words into precise and exacting forms in dialogue with the texture of the world This book traces that trajectory in a series of close readings that do not neglect the lesser known uncollected poems and the poems in French as well as Rilke's activity as a translator of Michelangelo Shakespeare Barrett Browning Mallarmé and Valéry among many others These encounters were part of Rilke's engagement with the world his way of extending the reach of his language to get it ever closer to the ungraspable movements the risk and promise of life itself One of his best known poems ends with the words *You must change your life* an injunction that can be seen to animate the whole of his work *Library of the World's Best Literature*, 1897 *The Warner Library: The world's best literature* Charles Dudley Warner, John William Cunliffe, Ashley Horace Thorndike, Harry Morgan Ayres, Helen Rex Keller, Gerhard Richard Lomer, 1917 **Life of Heinrich Heine** William Sharp, 1888 **Universal Pronouncing Dictionary of Biography and Mythology** Joseph Thomas, 1877 *Universal Pronouncing Dictionary of Biography and Mythology: Aa to Her* Joseph Thomas, 1901
