## **New Testament Commentary On Matthew:**

**Matthew 1-7 MacArthur New Testament Commentary** John MacArthur, 1985-08-08 The Old Testament looked forward to the final King of kings who would bring everlasting salvation and peace In his gospel Matthew demonstrates that Jesus Christ is that King perfect in His eternal glory and majesty As the King s ambassadors Christians today will find in Matthew great motivation for heartfelt worship and service Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical **The Gospel according to Matthew** Leon Morris, 1992-07-29 In the Christian Church the Gospel of Matthew has been considered the most important portrait of Jesus life and message Containing Jesus Sermon on the Mount and a uniquely rich collection of parables among many other things Matthew has made a major contribution to the church throughout the centuries and it still has much to say to the church today This superb commentary in the Pillar series explores the meaning and relevance of Matthew in an eminently straightforward fashion Leon Morris writes for readers who use commentaries to discover further what the Bible means Throughout he makes clear what he considers to be the meaning of the Greek text that Matthew has bequeathed to the church A perceptive introduction precedes Morris s warmhearted verse by verse exposition of Matthew an exposition based on his own literal translation of the text Now a standard reference work on the Gospel of Matthew this mature evangelically oriented commentary will continue to meet the needs of students pastor and general readers alike **Matthew** Bruce B. Barton, 1996 The Life Application Bible Commentary is the only commentary to offer sermon and lesson applications alongside stirring commentary Includes charts diagrams maps quotations bibliography and short articles on specific topics **The Gospel of Matthew** John Nolland, 2005-11-01 Having devoted the past ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel s sources or historical background Nolland places his central focus on the content and method of Matthew s story His work explores Matthew s narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark s presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew s Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on the latest Greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches Nolland s Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew s presentation of the gospel narrative **Holman New Testament Commentary - Matthew** Stu Weber, 2000-01-01 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike **The New Testament**

says Gordon Fee in his preface to this work France's masterful commentary on Matthew focuses on exegesis of Matthew's text as it stands rather than on the prehistory of the material or details of Synoptic comparison. It is concerned throughout with what Matthew himself meant to convey about Jesus and how he set about doing so within the cultural and historical context of first century Palestine. Amid the wide array of Matthew commentaries available today, France's world class stature, his clear focus on Matthew and Jesus, his careful methodology and his user friendly style promise to make this volume an enduring standard for years to come. **Matthew** R.
