Gordon J. **Just Follow Jesus** Billy Joseph Stines,2019-12-18 Who were the men called by Jesus Among the twelve disciples were

two sets of brothers Peter and Andrew James and John and a man named Matthew If we were selecting individuals to follow Jesus these men would have never been on our list But Jesus saw something in them we could never see Peter Andrew James and John made their livelihood fishing in the Sea of Galilee Matthew collected taxes for the hated Roman empire Each was an average man just going about his daily business But Jesus turned their lives upside down by calling to them saying Follow me Just as his call changed their lives it can change your life too Billy Joseph Stines who served almost forty years at six churches scattered around North and South Carolina explores why you should listen to the call of Jesus He also urges readers to stop dismissing those parts of the Bible that do not fit their idea of who God is Instead of seeking peace through compromise the goal must be to discover the truth Jesus Christ    **Matthew 1-7** W. D. Davies, Dale C. Allison, Jr., 2004-06-15 For over one hundred years the International Critical Commentary series has held a special place among works on the Bible It has sought to bring together all the relevant aids to exegesis linguistic and textual no less than archaeological historical literary and theological with a level of comprehension and quality of scholarship unmatched by any other series No attempt has been made to secure a uniform theological or critical approach to the biblical text contributors have been invited for their scholarly distinction not for their adherence to any one school of thought The first paperback editions to be published cover the heart of the New Testament providing a wealth of information and research in accessible and attractive format

**Joseph the Carpenter** Philip Walker Jacobs, 2019-05-21 In this ground breaking examination of responses to Joseph the Carpenter Dr Jacobs offers fresh insight into the historic understanding and perception of this often forgotten figure Challenging assumptions about the ways Joseph was understood and perceived in the first several centuries of Christianity Jacobs begins his study with a thorough review of the earliest narrative portrayals of Joseph in the New Testament Subsequently he carefully traces the diverse responses to Joseph through the analysis of numerous works of art and narratives In the process he documents the presence of two trajectories one the most dominant which affirms the roles of Joseph presented in the nativity accounts and highlights his significance and another which diminishes these roles and consequently Joseph's significance While Jacobs's study documents the presence of tensions with respect to understanding and perception of Joseph within this period of Christianity it also reveals that Joseph had much more importance than has previously been acknowledged    **Christosis** Blackwell, 2016 Amid increasing interaction between Eastern and Western theologians several recent biblical interpreters have characterized Paul's soteriology as theosis or deification harking back to patristic interpretations of Paul In this book Ben C Blackwell critically evaluates that interpretation as he explores the anthropological dimension of Paul's soteriology Blackwell first examines two major Greek patristic interpreters of Paul Irenaeus and Cyril of Alexandria to clarify what deification entails and to determine which Pauline texts they used to support their soteriological constructions The book then focuses on Paul's soteriology expressed in Romans 8 and 2 Corinthians 3 5 with excursions on other passages and explores how believers embody Christ's death and life his suffering and glory through

the Spirit Blackwell concludes by comparing the patristic view of deification with Paul's soteriology arising from the biblical texts noting both substantial overlap and key differences *Progressive Creation and the Struggles of Humanity in the Bible*

Zoltan Dornyei,2018-03-22 Why does the Christian walk often feel like an ongoing struggle and why does God's creation

include imperfection let alone forces that are intent on thwarting God's creative work In seeking a response to these

questions this book argues that the biblical accounts describe creation in terms of a progressive transformation process

whereby the initially incomplete created order will reach perfection only in the fulfillment of new creation The following

discussion then outlines a comprehensive framework for the biblical theology of humanity's struggles centered on three key

themes corporeal temptation deficient social structures and the much debated notion of spiritual warfare The book presents

an overarching canonical narrative that threads together a series of diverse biblical topics from Job's temptation to the

Atonement The final part surveys biblical teaching on how human conduct can be aligned with God's creative purpose and

discusses three assignments from Jesus to believers to celebrate the Eucharist to pray the Lord's Prayer and to fulfill the

Great Commission **Matthew** Ulrich Luz,1989 This is the second of a three volume commentary on the gospel of Matthew

from Europe's leading Matthew scholar Volume 1 Matthew 1-7 was previously published in the Continental Commentaries

series Luz's commentary is especially noteworthy not only for his incisive exegesis but also his keen eye for the importance of

the history of interpretation and his attention to the relevance of the New Testament for contemporary Christian ethics This

commentary includes excursuses on Son of David Matthew's Interpretation of the Parables Peter in the Gospel of Matthew

and Son of Man Matthew: The Christbook, Matthew 1-12 Frederick Dale Bruner,2004 Recognized as a masterly

commentary when it first appeared Frederick Dale Bruner's study of Matthew is now available as a greatly revised and

expanded two volume work the result of seven years of careful refinement enrichment and updating Through this

commentary crafted especially for teachers pastors and Bible students Bruner aims to help God's people love what

Matthew's Gospel says to Bruner's work is at once broadly historical and deeply theological It is historical in drawing

extensively on great church teachers through the centuries and on the classical Christian creeds and confessions It is

theological in that it unpacks the doctrines in each passage chapter and section of the Gospel Consciously attempting to

bridge past and present Bruner asks both what Matthew's Gospel said to its first hearers and what it says to readers today

As a result his commentary is profoundly relevant to contemporary congregations and to those who guide them Bruner's

commentary is replete with lively verse by verse discussion of Matthew's text While each chapter expounds a specific topic

or doctrine the book's format consists of a vivid original translation of the text followed by faithful exegesis and critical

analysis a survey of historical commentary on the text and current applications of the text or theme under study In this

revision Bruner continues to draw on the best in modern scholarship including recent work by W D Davies and Dale C Allison

Jr by Ulrich Luz and by many others adding new voices to the reading of Matthew At the same time he cites the classic

commentaries of Chrysostom Jerome Augustine Luther Calvin Bengel and the rest who like Bruner himself were not simply doctrinal teachers but also careful exegetes of Scripture Such breadth and depth of learning assure that Brunerbs Matthew will remain as a reviewer for Interpretation wrote bthe most dog eared commentary on the shelf b Volume 1 of Brunerbs commentary is called The Christbook because the first twelve chapters of Matthew are focused on the nature and work of Christ As Bruner proceeds through these chapters he shows how Matthew presents step by step central themes of Christology Jesusb coming chapters 1 4 his teaching 5 7 his miracles 8 9 his sermon on mission 10 and his person 11 12 Throughout the book there are also thoughtful discussions of significant topics such as baptism marriage Jewish Christian relations and heaven and hell Eminently readable rich in biblical insight and ecumenical in tone Brunerbs two volume commentary on Matthew now stands among the best in the field *Reference Catalogue of Current Literature* ,1928
