Geisler, 2014-09-09 Uncovering the content structure and teachings of the New Testament Understanding the New Testament is a daunting but exciting task Our world is so different from that of the first century The dress travel vocation and custom of biblical characters are all foreign to us Yet it is important to understand the context and content of the New Testament if we are to be faithful followers of Jesus Christ *A Popular Survey of the New Testament* is designed to help ordinary people enrich their understanding of New Testament people and events It addresses many questions that readers of the Bible may have such as Who wrote the books of the New Testament and to whom were they writing When were these books written and why How can a warning about first century Gnostics help Christians today What can today s believers get out of a letter about a slave returning to his master How can we understand difficult passages in the New Testament Written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the New Testament **Survey of the New Testament** Paul N. Benware, 2004-01-01 Author approaches the New Testament in three segments the anticipation institution and fulfillment of the new covenant **New Testament Survey** Robert G.
