**New Testament-Greek Notebook** Benjamin Chapman,1976-10-01    **New Testament Greek Notebook** Benjamin Chapman,1976    **The Pauline Doctrine of Male Headship** James E. Bordwine,2009-05-01 I am not aware of a comprehensive volume on the Pauline Doctrine of Male Headship authored by an active pastor who must live with the practical applications of that ancient and ever valid teaching Dr Bordwine an active pastor thus serves the Christian community by providing a book which both interacts so well and widely with differing opinions and which also clearly states the meaning of the biblical text and its significance for the church of this age and the days that follow I am therefore very thankful for its publication and heartily commend it George W Knight IIIPresident The Council on Biblical Manhood and Womanhood    Catalog of Copyright Entries. **Journal of Biblical Literature** ,1978    *Recognizing the Messiah's Message* Jeffrey Leath,2015-03-09 Hebrews were waiting for the Messiah to come and set them free free from the bondage of the Roman enemy But then announced to a group of shepherds one night the Messiah arrived was wrapped in strips of cloth and took His royal position in a feed trough This was the Son of God who takes away the sins of the world He was given authority from His Father He would show signs of His Messiahship and have a great following because of His miraculous healings even bringing the dead back to life But His message was confusing to some He didnt meet the expectations of the Messiah He said that we should love our enemies He said that God was a loving heavenly Father and even referred to Him as Daddy Abba Father And then there was His message of relating to God through humility Matthews writing helped the early Hebrew Christians recognize Jesus is the Messiah an important message that encourages one to stand firmly in faith Recognizing and identifying with the Messiahs message will lead us to call upon our one true Teacher and Savior Jesus Christ through whom we receive Gods loving grace and mercy    **The**

**Bible Book** Erasmus Hort,1983    **Of Widows and Meals** Reta Halteman Finger,2007 Though community has become a common byword in the contemporary Western church the practice of communal sharing has effectively fallen by the wayside Unfortunately it is often the poor who are left wanting because we no longer come together Reta Halteman Finger finds a solution to this modern problem by learning from the ancient Mediterranean Christian culture of community In the earliest Jerusalem church in holding the responsibility for preparing and serving communal meals women were given a place of honor With the table fellowship and goods sharing of the early church Luke says there were no needy persons among them Acts 4 34 Finger thoroughly examines this agape meal tradition challenging traditional interpretations of the community of goods in the Jerusalem church and proving that the communal sharing lasted for hundreds of years longer than previously assumed Of Widows and Meals begins a discussion of need in community that can revolutionize the contemporary church s interaction with the world at large    **The Educational Times, and Journal of the College of Preceptors** ,1914    **Subject Guide to Books in Print** ,1984    **National Union Catalog** ,1980 Includes entries for maps and atlases    **The Bookseller and**
