**Manufacturing Militarism** Christopher J. Coyne, Abigail R. Hall, 2021-08-03 The U.S. government's prime enemy in the War on Terror is not a shadowy mastermind dispatching suicide bombers It is the informed American citizen With *Manufacturing Militarism* Christopher J. Coyne and Abigail R. Hall detail how military propaganda has targeted Americans since 9/11 From the darkened cinema to the football field to the airport screening line the U.S. government has purposefully inflated the actual threat of terrorism and the necessity of a proactive military response This biased incomplete and misleading information contributes to a broader culture of fear and militarism that far from keeping Americans safe ultimately threatens the foundations of a free society Applying a political economic approach to the incentives created by a democratic system with a massive national security state Coyne and Hall delve into case studies from the War on Terror to show how propaganda operates in a democracy As they vigilantly watch their carry-ons scanned at the airport despite nonexistent threats or absorb glowing representations of the military from films Americans are subject to propaganda that Coyne and Hall argue erodes government by citizen consent *The Philosophy of Tragedy* Julian Young, 2013-06-28 This book written in an accessible style is an exhaustive survey of the philosophy of tragedy from antiquity to the present From Aristotle to i.e.k philosophers have asked why notwithstanding its distressing content do we value tragedy Some point to a certain pleasure that results from tragedy others to the knowledge we gain from tragedy of psychology ethics freedom or immortality *The Conquest of Lady Cassandra* Madeline Hunter, 2013-02-26 HER PRIDE HIS PREJUDICE THEIR PASSION As headstrong as she is beautiful Lady Cassandra Vernham defied convention when she refused to marry the man who had compromised her Now estranged from her family Cassandra struggles to make ends meet A recent auction of her jewels has

brought her a modicum of relief but one of the most valuable lots was never paid for by the highest bidder handsome rakish Viscount Ambury Cassandra needs that money badly and not to buy a new hat Ambury has only to look at Cassandra to begin imagining her in his bed He has not settled that outstanding debt for a reason He suspects that the expensive baubles were stolen perhaps even by Cassandra herself Erotic fantasies about her notwithstanding the vixen is not to be trusted for she has already destroyed his good friend the man she refused to marry who later lost his life in a duel which Ambury suspects was fought over Cassandra But nothing is as it seems As the seductive lord and the scandalous beauty are drawn together the passion that flares between them will illuminate shocking secrets that will change both their lives forever     **Romance**
