Nobody Comes Back:

Nobody Comes Back Donn Pearce, 2009-02-03 An American teen navigates the challenges of relentless action during World War II in this novel from the author and screenwriter of *Cool Hand Luke*. A very good book. Imagine *Saving Private Ryan* minus the schmaltz. The narrative moves like a berserker and Pearce's prose is lean and propulsive. It's accomplished work. *Esquire* Best Novel of the Year 2005. Military Writers Society of America. Toby Parker was America's unwanted son. Sixteen years old, he was too young to enlist in the army but old enough to know that he didn't want to return to the life he knew: neglected by his mother, ignored by his father, overlooked by everyone else. The war overseas promised exotic locations and adventure, but what it delivered was something else entirely. The war was all but over, though the fighting still raged on in pockets of Europe. Out of the critical focus on France, only one last position needed to hold the city of Bastogne. Thrown into battle almost immediately upon arrival, Toby soon found himself wounded and alone, struggling to survive and looked upon to lead. Told with gritty authenticity, Donn Pearce captures the very essence of what it means to be caught under the worst circumstances imaginable while having the strength and humanity to rise above them. *Nobody Comes Back* is a timeless tale of a young infantryman fighting for his life and his humanity. Will join the classics. Stephen Coonts, *New York Times* bestselling author of *Pirate Alley*. The best novel ever written about the Battle of the Bulge. With *Nobody Comes Back*, Pearce does for the Bulge what he did for chain gangs in *Cool Hand Luke* and what Stephen Crane did for the Civil War in *The Red Badge of Courage*. David Hagberg, *USA Today* bestselling author of *Dance with the Dragon*.

Nobody Comes Back Donn Pearce, 2005 Donn Pearce, the author of *Cool Hand Luke*, again revisits the subject of men under tremendous pressure living and dying according to oppressive circumstances. Now he brings you another tragic hero thrust out of the only world he knew and forced to create one on his own terms or die trying. Toby Parker was America's unwanted son. Only sixteen years old, he was too young to be enlisted in the army but old enough to know that he didn't want to return to the life he knew: moving from new home to new home, neglected by his mother, ignored by his father, overlooked by everyone else. The war overseas promised exotic locations and adventure, but what it delivered was something else entirely. The Nazis were beginning to fall back and the war was all but over. But the fighting still raged on in pockets of Europe. Out of the critical focus on France, only one last position needed to hold the city of Bastogne. Thrown into battle almost immediately upon arrival, he soon found himself wounded and alone, struggling to survive and looked upon to lead. It was here that Toby was to learn what war really was and what kind of man he was destined to become. Many American boys went into World War II and each one lived their own nightmare critically shaped by what they experienced. Out of the dead, even the survivors. *Nobody Comes Back*. Told with gritty authenticity, Donn Pearce captures the very essence of what it means to be caught under the worst circumstances imaginable while having the strength and humanity to rise above them. *Charlie Merrick's Misfits in I'm a Nobody, Get Me Out of Here!* Dave Cousins, 2015-06-04 HELP Somebody get me out of here. This is all a HUGE MISTAKE. I can't believe we

ended up in this mess Well actually I can To be honest I m not at all surprised This is EXACTLY the kind of thing that ALWAYS happens to us Charlie and his gang have ended up at the GO WILD survival camp for a whole week Camp leader Survival Clive splits them into teams and dumps them in the middle of the forest They ve got three days to make it back to base camp But there s a rumour that a wild beast is on the loose rival team the Wild Warriors are pinching their stuff and Charlie and Nature just don t mix If they re going to make it back home the Misfits are going to have to use all their skill and guile to survive Told in Charlie s own hilarious words and doodles this book is perfect for fans of Tom Gates and Diary of a Wimpy Kid

Shared Sorrows Toby Sonneman,2014-03-01 On the morning after Kristallnacht Toby Sonneman s father walked through broken glass to apply for the visa that saved him from the fate of so many during the Third Reich In examining her own family history the author discovered the similarities between the fate of the Jews and the Gypsies in the Holocaust both peoples selected on racial grounds for extermination by the Nazis She traveled with an American Gypsy survivor to Munich where she stayed with the formidable Rosa Mettbach This is the story of Rosa and other members of an extended family who survived the Holocaust Shared Sorrows tells the story of a Gypsy family against the backdrop of a Jewish one detailing and examining their shared sufferings under the Nazis My father brought a spool of thread with him from Germany when he came to America in 1939 And another spool of thread one in my imagination unwinds slowly and unpredictably sometimes fraying or tangling It s a thin and delicate thread that leads me to the Gypsies to the family that I meet in Germany the country of so many tangled memories and emotions And as I talk to them and I listen following the threads of their stories backwards in time to the 1930s and 40s and before their memories start to become mine as well
