**No-Cost Boating** Rod Gibbons,1992-03      **No Cost Jesus?** H. Wallace Webster,2021-07-12 Many people think that while living our daily lives can be difficult even challenging following Jesus is actually pretty easy All we need to do is say yes to Jesus and our lives can go on without interruption But is it really that easy to follow Is he a Jesus without cost or requirement At some point we all need to ask ourselves Who is this Lord that I m serving Our culture encourages us to think of Jesus as a good friend who will not put any demands on our time or our lives But the real Jesus the God of the Bible comes with a cost He demands our time He demands our thoughts He demands our lives He demands our all It s only when we are willing to pay that cost that we get to know our Savior as he really is and we realize that he s worth so much more      365
