## Noises At Night:

**Noises at Night** Beth Raisner Glass,Susan Lubner,2012-01-30 When a little boy can t fall asleep he imagines all of the late night noises in his house as extraordinary adventures With illustrations by the illustrator of the best selling Diary of a Wombat the outlandish images of bedtime dreams are brought to life From the hisss of a heater to the whiee of the wind noises suddenly become other fantastic sounds and soon lead to great adventures for a newly tucked in boy and his dog The drip of a faucet becomes the waves splashing the bow of his great ship and the boom of thunder is the drumroll for a circus trapeze artist With dynamic vibrant illustrations by the popular illustrator Bruce Whatley and musical rhyme by Beth Raisner Glass and Susan Lubner Noises at Night perfectly captures the imagination of every sleepless child at bedtime and shows kids that bedtime is more fun than scary and exhausting After all of his dream like wanderings the boy and his dog fall asleep

**Measures of Noise Level** Jerome S. Lukas,1977    **Night Noises** Carole Laplante,2012-03 It was the author s intent to write a book that might help comfort children at night as their creative imaginations can often run away with them It was also thought that by presenting children of different cultures and from different parts of the world listening to similar sounds an appreciation for diversity could be nurtured Children should be able to identify with several nighttime sounds while building on their knowledge of nature and reality The rhyming verse and figurative speech can help build language skills The colorful and richly detailed illustrations depict many different emotions from delight and wonder to feelings of anxiety sleepiness and peace    **Wonders of Acoustics; Or, The Phenomena of Sound** Rodolphe Radau,1872    State of New York Supreme Court Appellate Division-Second Department ,    **The Sound of Day** Mary Le Duc O'Neill,Cynthia Jabar,2003 Two poems present the sounds of day and the sounds of night from a clatter of soapsuds and spatter to the hush of snowflakes touching on the ground as a family gets ready to greet a new baby to their home    *Reports of Decisions of the Public Service Commission, First District, of the State of New York* New York (State). minded souls in dialogues across the ether But when their scribblings devolve into the ugliest confessions of the macabre the Library s users learn too late that a malicious force has consumed their privacy and their sanity As the city of Turin suffers a twenty day phenomenon of collective psychosis culminating in nightly massacres that hundreds of witnesses cannot explain the Library is shut down and erased from history That is until a lonely salaryman decides to investigate these mysterious events which the citizenry of Turin fear to mention Inevitably drawn into the city s occult netherworld he unearths the stuff of modern nightmares what s shared can never be unshared An allegory inspired by the grisly neo fascist campaigns of its day The Twenty Days of Turin has enjoyed a fervent cult following in Italy for forty years Now in a fretful new age of lone wolf terrorism fueled by social media we can find uncanny resonances in Giorgio De Maria s vision of mass fear a mute palpitating dread that seeps into every moment of daily existence With its stunning anticipation of the Internet and the apocalyptic repercussions of oversharing this bleak prescient story is more disturbingly pertinent than ever Brilliantly translated into English for the first time by Ramon Glazov The Twenty Days of Turin establishes De Maria s place among the literary ranks of Italo Calvino and beside classic horror masters such as Edgar Allan Poe and H P Lovecraft Hauntingly imaginative with visceral prose that chills to the marrow the novel is an eerily clairvoyant magnum opus long overdue but ever timely     **The Sunday at Home** ,1894
