Booklist *You Can Do It, Noisy Nora!* Rosemary Wells, 2020-04-28 Noisy Nora is learning to play the violin, but her family isn't sure they can survive it. The lovable heroine of Noisy Nora returns in a new book that will charm parents and children alike. Nora is determined to play the violin, but her parents, sister Kate, and brother Jack are appalled by the terrible sounds that emerge during her practice sessions: Scrape and shriek, screech and squeak. Everybody holds their ears. But when a special evening comes, Nora succeeds in playing the secret song she's struggled hard to learn. You Can Do It! Noisy Nora provides the perfect way to show young children the value of persevering when trying to master a new skill. So they fall in love with reading. Many teachers find the independent reading workshop to be the component of reading instruction that meets this challenge because it makes it possible to teach the reading skills and strategies children need and guides them toward independence, intention, and joy as readers. In *Growing Readers*, Kathy Collins helps teachers plan for independent reading workshops in their own classrooms. She describes the structure of the independent reading

workshop and other components of a balanced literacy program that work together to ensure young students grow into strong well rounded readers Kathy outlines a sequence of possible units of study for a yearlong curriculum Chapters are devoted to the individual units of study and include a sample curriculum as well as examples of mini lessons and reading conferences There are also four Getting Ready sections that suggest some behind the scenes work teachers can do to prepare for the units Topics explored in these units include print and comprehension strategies reading in genres such as poetry and nonfiction connecting in school reading and out of school reading developing the strategies and habits of lifelong readers A series of planning sheets and management tips are presented throughout to help ensure smooth implementation We want our students to learn to read and we want them to love to read To do this we need to lay a foundation on which children build rich and purposeful reading lives that extend beyond the school day The ideas found in Growing Readers create the kind of primary classrooms where that happens **Getting Ready to Read** Teacher Created
