

A complex collage of classical art. At the top left is a large marble head of Athena in profile, wearing a helmet. To its right is a painting of a winged figure, likely Eros or Cupid, riding a dolphin. Below the dolphin is a painting of a muscular man, possibly a hero, standing. To the right of the central text is a painting of a man in a red cloak, possibly a god or hero, in a dynamic pose. At the bottom left is a painting of a man in a dark tunic, possibly a warrior, holding a spear. At the bottom right is a painting of a Trojan city with a large circular structure, possibly a chariot or a fortification. The background is a mix of these various images, creating a sense of a rich, mythological world.
