*An Alternative Decision*

I. R. Jangharia,2010 It is a book which gives an insight into some fundamental questions of our existence which you and I have considered within ourselves at one time or another in our lives Some of us have been too afraid to tackle these type of questions and some of us have not attempted to research the answers to the fundamental questions of our existence due to not being able to have the time to research them deeply in order to uncover the truth Sadly with regret many of us are simply too ignorant to even consider or research certain truths because we think we know best It is a book which highlights to the point in a very concise manner It is a book which allows you to think It encourages you to go even

deeper into establishing a certain truth for your own satisfaction in your own heart and mind It is a book simplified even for the intellectuals in order to take up as a challenge for yourself You certainly owe it to yourself It is left for you to agree or disagree and come to your own conclusions after considering some or all of the points raised Or you may still sit on the fence It opens up another window in your life highlighting the very fundamental issues of the existence of life and leaves it upon you to come to a decision within yourself An Alternative Decision to the one that you might already hold
