producing a new religious canon the B b brought a fresh worldview of the divine the human and the social Through His vast written revelation the B b proclaimed majestically the fulfilment of the prophetic Great Day of God promised by the religions in the past His mystical teachings appeal to the perfection and nobility of the human soul All things being made new He delivered a distinct divine philosophy drastically changing ecclesiastic and liturgical laws and legislating on individual and social matters The B b's teaching attracted fiery opposition from the establishment leading to His imprisonment torture exile and martyrdom Relying on nearly 600 passages from His writings the Dispensation of the B b presents a panoramic view of the B b's doctrine highlighting His position as an independent Messenger of God and announcing the imminent advent of Him Whom God shall make manifest showing at the same time the theological unicity between the faiths of the B b and Bah u ll h *Quddús: The First in Rank* Boris Handal, 2024-09-01 The book presents the fascinating real life story of Qudd's the

son of a poor Persian rice farmer who rose to become the most illustrious disciple of the Báb. Thoroughly researched and broad in scope it is a story of the rugged journey filled with pathos and exhilarating triumph at every turn during the five short eventful years he spent in absolute servitude to the Báb. We experience the vivid details of a life which left no room for settling down as he valiantly approached the centre of an intense ever increasing maelstrom at the very inception and birth of a new world religion fraught with opposition and intrigue yet filled with spiritual confirmations culminating in an unprecedented climax. This work also features new translations of select Tablets by Bahá'u'lláh and the Báb as well as previously unpublished writings of Quddús. The book spans 605 pages and includes 87 illustrations. **The Dawn-breakers** Nabíl Zarandí, 1953 [Dawn Over Mount Hira, and Other Essays](#) Marzieh Gail, 1976 **The A to Z of the Bahá'í Faith** Hugh C. Adamson, 2009-08-20 apostles disciples Hands of the Cause Knights of Baha'u'llah and more than 930 believers this book is a fundamental reference tool for the Baha'i Faith Book Jacket **World Religions** Casey Howard, 2018-12-10 Religion is any cultural system of designated behaviors and practices world views texts sanctified places ethics or organizations that relate humanity to the supernatural or transcendental Religions relate humanity to what anthropologist Clifford Geertz has referred to as a cosmic order of existence. However there is no scholarly consensus over what precisely constitutes a religion. World Religions examines the often conflicting theories and interpretations of spiritual and historical matters and provides a basic understanding of the world's religious diversity. This book is a commendable endeavour to present the essence of all the major religions of the world under one cover in a simple and lucid form. An ideal work for a general reader who wants to have firsthand knowledge about world religions. The book Introduction to World Religions promotes a better understanding of the religions of the world their similarities and history of amicable co-existence. It emphasizes better understanding and amicable co-existence of all religions. *Books in Print*, 1991 **Baha'i World**, 1930 [The Bahá'í World](#), 1968 **Encyclopedia Americana: B to Birling**, 2006 [The Encyclopedia Americana](#), 1999 [The Encyclopedia Americana: B-Birling](#), 2000 **Citizens of the World** Margit Warburg, 2018-08-14 Citizens of the World deals with the Baha'is and their religion. While covering the historical development in sufficient detail to serve as a general monograph on Baha'is emphasis is laid on examining contemporary Baha'is with the Danish Baha'i community as a recurrent case. The book discusses Baha'i religious texts rituals economy everyday life demographic development mission strategies leadership and international activism in analyses based on primary material such as interview studies among the Baha'is fieldwork data from the Baha'i World Centre in Israel and field trips around the world. The approach is a combination of history of religions and sociology of religion within a theoretical framework of religion and globalisation. Several general topics in the study of new religions are covered. The book contributes to the theoretical study of globalisation by proposing a new model for analysing globalisation and transnational religions. **Bahá'í maigzín**, 1928 *Encyclopedia Americana* Scholastic Library Publishing, 2006 **The Encyclopedia Americana** Grolier Educational Staff, 2001-04 **Release the**
