## **Mullah On The Mainframe:**

*Mullahs on the Mainframe* Jonah Blank, 2023-11-30 In Jonah Blank's important myth-shattering book *The West Gets Its First Look at the Daudi Bohras*, a unique Muslim denomination who have found the core of their religious beliefs largely compatible with modern ideology. Combining orthodox Muslim prayer dress and practice with secular education, relative gender equality, and Internet use, this community serves as a surprising reminder that the central values of modernity are hardly limited to the West.

*Mullah on the Mainframe* Jonah Bernard Blank, 1998 **The Bishop, the Mullah, and the Smartphone**

Bryan Winters, 2015-05-01 Not so long ago, the world resisted change often using religious reasoning. Small wonder the printing press, a sixteenth century disruptive device, split Christianity. Now the globe welcomes digital disruption, even praising it as a solution for faltering economies. Religions don't have much choice but to follow because information is a prime asset of faith. Believers treasure and reframe their past and present. However, both old and current data is now available in huge quantities, visually and instantly. Movies provide more spiritual guidance than holy texts, and terror merchants use the uncontrollable Internet to gain hearts and minds. Nevertheless, a turbulent re-mythologization of adherents towards peaceful versions of their belief can be tracked. There are positive things we can all do to help, which is just as well in a world that suggests only political acts count.

New Approaches to the Analysis of Jihadism Rüdiger Lohlker, 2012 Jihadism has been an important issue of public discussions since 9/11. Internet media have been used by Jihadis as means of communication, propaganda, recruitment, and even training purposes. In this volume, the processes of interaction on Jihadi internet sites are analysed. Particular attention lays on the mechanisms of spreading propaganda via the internet by diverse technical means. The process of transformation of Islamic knowledge into Jihadi knowledge, the rhetorics of videos, the development of South Asian Jihadi organisations, and some conceptual issues are discussed.

Neo-Fatimid Treasury of Books Olly Akkerman, 2022-08-10 This book tells the story of a manuscript repository found all over the pre-modern Muslim world: the khizanat al-kutub, or treasury of books. The focus is on the undisclosed Arabic manuscript culture of a small but vibrant South Asian Shi'i Muslim community, the Bohras. It looks at how books that were once part of one of the biggest imperial book repositories of the medieval Muslim world, the khizanat of the Fatimids of North Africa and Egypt (909CE-1171CE), ended up having a rich social life among the Bohras across the Western Indian Ocean, starting in Yemen and ending in Gujarat. It shows how, under strict conditions of secrecy and over several centuries, one khizana was turned into another, its manuscripts gaining new meanings in the new social realities in which they were preserved, read, transmitted, venerated, and copied into. What emerged was a new distinctive Bohra Ismaili manuscript culture, shaped by its local contexts.

**Historical Dictionary of Islamic Fundamentalism** Mathieu Guidère, 2017-09-20 After the rise of the Islamic State in the Middle East and the new geopolitical landscape in this region, it is essential for the modern reader to understand the history that has allowed for and influenced these types of Islamic groups to form. *Historical Dictionary of Islamic Fundamentalism* acts as a

didactic resource that explains from the Islamic perspective the historical importance of the Islamic fundamentalist world. This dictionary provides a comprehensive and thorough analysis of various groups events movements key figures and dogmas that have influenced contemporary Islamic fundamentalism. A chronology spanning 600 years graphs of complex Islamic group associations and alliances and an Arabic to English glossary have all been included to facilitate a complete understanding of the nuances and generalities that have shaped this movement. This second edition of *Historical Dictionary of Islamic Fundamentalism* also contains an introduction appendixes an extensive bibliography and more than 700 cross-referenced entries on ideologies people events and movements of the 20th and 21st centuries. No Birds of Passage Michael O'Sullivan, 2023-09-19 *No Birds of Passage* explores the remarkable business success of three Gujarati Muslim commercial castes the Bohras Khojas and Memons. Often stereotyped as Westernized and as Hindus in all but name these groups are better seen as having developed a distinctive Muslim capitalism in which religious and commercial prerogatives are inseparable. **The City and Its Fragments** Preeti Chopra, 2003 *Indian Journal of Secularism*, 2006 Islam and Muslim Communities in South Asia Nadeem Hasnain, 2006 **The American Journal of Islamic Social Sciences**, 1999

*Forthcoming Books* Rose Arny, 2002-04 **Guide** American Anthropological Association, 1998 □□, 2000 **Satan's Roost** Lawrence D. Klausner, 2013 FBI Assistant Director Mark Goldman a former NYCPD detective had only to sign his letter of resignation when two unlikely events change the course of his actions. The murder of a postman and a car fire near the Washington Mall become the first pieces of a deadly international conundrum for Goldman the impetus he desperately needs to get back on the streets. Years earlier Mark accepted a promotion to his current lofty position an award for thwarting a devastating terrorist attack on the homeland. His title suggests he is the liaison between U S and foreign security forces however none of his proposals are executed. The Jewish prodigy is caught in a dead end job until now Goldman ignores his jurisdiction to search for the lone wolf whose mission is to destroy the very foundation of the U S government the order of succession to the presidency. The hunt draws in Avi Levy the director of Israel's Mossad as well as Mark's mentor Jack Warner a retired FBI director. The case also reunites Goldman with the love of his life Ruth Sachs a distinguished Mossad agent. The tale courses from the streets of Paris to the Zuiderzee and finally to the U S where the lone wolf blends into the anonymity offered by the sheer vastness of the land. Will the al Qaeda financed lone wolf remain a step ahead of his pursuers or will the reunited team of Goldman and Sachs eliminate the threat. America's fate hangs in the balance. The Secret Service was so intrigued with this story that it requested an interview with the author. The idea of a lone wolf eradicating the nation's entire political structure in a single blow was unthinkable. Possibly because of that interview four similar plots against our homeland were thwarted. All too often a fine line separates fact from fiction. **Anthropology News**, 2000 L'Homme, 2002 **Global Rhythm**, 2003 REIGN OF THE MAINFRAME. TONY. STEVENS MERRYWEST (GAVIN.), 2022
