Calendars are overflowing with appointments and events scarcely leaving us time to relax and breathe With our schedules stretched to the max we can often find ourselves pressured pulled and pushed to the very end of our flexibility Next comes those unforeseen and unexpected circumstances that add even more challenges to our lives Frustration and stress seem to become our constant companions in this harried fast paced world in which we live If we are not careful we can be consumed by our schedules and the demands all around us It s easy to lose sight of the essential when we are overwhelmed by the urgent It does not have to be so Waves of Grace is the result of God teaching me to discipline myself to be deliberate about stopping in the midst of the daily madness to breathe and be refreshed Waves of Grace is a forty day walk through the Scriptures highlighting many people whom God chose to use Most times they felt or were ill equipped for the tasks set before them Still despite struggles obstacles and insurmountable odds they were victorious Victories came not by their strength or power but because they found time to seek God in the middle of their struggles even when they did not understand them Those victories were connected directly to their intimate personal relationship with God It was the grace of God displayed in their everyday situations As I began this journey of obedience I also felt ill equipped but I also knew that our little is empowered to become much when submitted into the hands of God By taking snippets of our day and connecting with God you and I can draw strength and grace to follow our dreams continue our journey and along the way connect with those who went before us blazing the path for our generation The Journey of Grace Lisa Guinness,2008 **Mountains of Grace**

My Journey in Grace Tyrone Clark, 2024-08 Each day God extends grace to us Jesus lived and practiced grace when He walked among us We must reciprocate this same grace by forgiving others who have done wrong to us During the past few years I have learned much about the importance of grace This journey has taught me much I see what grace has done for me and observe what grace does for others when I extend it Not only has it brought a change in my heart but a change in my life God has shown me why grace is important to Him And now it is just as important to me

Grace Michael Casey, 2018 Benedictine monastic spirituality has emerged as an antidote to the spiritual and cultural challenges facing people of faith today In this book the author focuses specifically on GRACE and the benevolence of God as it expresses itself in many different ways along our spiritual journey What is a person likely to experience when beginning to give up him or herself conscientiously to the spiritual journey In this beautiful guide gradually we come to realize that everything that happens in our lives is somehow the gift of our loving Father Every journey is ultimately individual As Casey explains what you hear within your own spirit is more significant than what he can say But his aim is to help you listen to the voice of God in your heart
