Hecht, A. C. (2014) .An analysis of intercultural bilingual education in Argentina. *Journal for Multicultural Education*, Vol. 8 Iss. 2, pp.70 - 80

The main purpose of this research article is to evaluate the state of intercultural bilingual education strategies in Argentina. Intercultural bilingual education encompasses educational proposals aimed at addressing the particular needs of the ethnolinguistic subgroups. The conclusions of the article gives the challenges and the goals that need to be achieved as well as the future perspectives of that educational policy. This article can give contribution to the area of studies touching on diversity in education of ethnically different minorities.

Lynch, M. (2014). The Call to Teach Multicultural Education. *Huff post Education*. Retrieved From <http://www.huffingtonpost.com/>

This article explores the term “multiculturalism” in details and it also examines the meaning of multiculturalism in K-12 classrooms. The article asserts that multiculturalism is not just about a classroom with different skin color but also a careful assessment of the parenting styles, neighborhoods, and general experiences which shape every K-12 student. Diversity is present even in mainstream society. Therefore, students must have the communication skills which multicultural education promotes. This article is useful in examining ways in which educators can handle multiculturalism within K-12 classrooms.

Writers of Multicultural Fiction for Young Adults M. Daphne

Kutzer,1996-01-09 Multicultural fiction is an essential part of the American literary landscape This reference helps scholars teachers and librarians choose significant texts from both the past and present and provides guidance in approaching multicultural issues as they are discussed in fiction for young adults Included are entries for 51 writers some of whom have nearly been forgotten others who are just emerging Each entry provides biographical critical and bibliographical information while a general bibliography of works on multicultural literature concludes the book Authors included range from the nearly forgotten such as Laura Adams Armer to the newly discovered such as Graham Salisbury winner of the 1994 Scott O Dell Award for Historical Fiction The breadth of authors covered ensures an historical context for the issues raised by multiculturalism and the sections on the critical reception of each author address such important issues as the authority and authenticity of the writer to comment on a different culture Contributors are of many different ethnicities and include important scholars of children s literature lending authenticity and authority to the volume itself

A Bibliography of Australian Multicultural Writers Sneja Marina Gunew,1992 Bibliographic details of Australian multicultural writers

Multicultural Writers from Antiquity to 1945 Alba Amoia,Bettina L. Knapp,2001-10-30 The final decades of the 20th century have seen an explosion of interest in multiculturalism But multiculturalism is more than an awareness of the different cultures comprising contemporary societies For centuries people from around the world have come in contact with cultures other than their own and their exposure to multiple cultures has fostered their creativity and ability to make lasting contributions to civilization The effects of multiculturalism are especially apparent in literature since writers tend to be particularly aware of their environments and record their experiences This reference includes alphabetically arranged entries for more than 100 world writers from antiquity to 1945 who were significantly influenced by cultures other than their own Included are entries for major canonical Ancient and Modern writers of the Western and Eastern worlds Each entry is written by an expert contributor and includes a brief biography a discussion of multicultural themes and contexts a summary of the writer s critical reception and primary and secondary bibliographies By illuminating the shaping influence of multiculturalism on these writers the volume points to the lasting value of multiculturalism in the contemporary world

Multiculturalism in the College Curriculum Marilyn Lutzker,1995-03-18 Emphasizing that diversity in the curriculum is as much about a way of thinking as it is about specific information Lutzker presents a compendium of innovative and

practical classroom strategies and widely available information resources which will enable faculty to increase the multicultural content of their courses without necessarily making major changes in their accustomed methods of teaching This is a handbook for college faculty in all disciplines who would like to increase the multicultural content of their courses but have been reluctant to do so for a variety of reasons including an already overloaded syllabus a lack of background in the subject uncertainty about student reactions or lack of time to make substantial changes in an existing syllabus Administrators anxious to increase diversity in the curriculum of their institutions but unable to fund large scale curriculum revision projects will also find this volume useful Part I is concerned with classroom strategies and with student research projects Starting with discussions of objectives and priorities the underlying role of critical thinking and the importance of language sensitivity the book then describes specific classroom strategies useful for increasing diversity The subsequent chapters are devoted to discussions of general guidelines for developing student projects with a multicultural perspective innovative alternatives to the traditional term paper and suggestions for multicultural student projects which do not require library research Part I concludes with a discussion of possible student reactions to increased multiculturalism and suggested approaches to those reactions Part II is concerned with information resources which will be useful to instructors and to students Fully annotated lists are provided in a variety of areas including widely available primary sources specialized biographical directories sources for sample syllabi in all disciplines guides to ethnic and foreign press to films and videos and to electronic resources Part II concludes with a discussion designed to increase efficiency in using the library catalog to locate information in multicultural subject areas Appendices provide sample research worksheets a list of small publishers and distributors of multicultural books and an annotated bibliography
