A Tale of the Twenty-Second Century** Mrs. Loudon,2025-11-21 Plunge into a haunting futuristic world where crypts and robots collide in an electrifying tale of time travel forbidden love and dreams eternal Sweeping across centuries the story offers bold satire social commentary and a wild vision of the future from ancient tombs to high tech marvels from the living to the impossibly preserved dead Rich in wit and invention it s an adventure where the fate of humanity depends on remembering the past even as the world races toward tomorrow Unfolding with twists spectacle and philosophical surprises this novel rewards readers with a journey through science romance and imagination unlike any other The Mummy's Curse Jasmine Day,2006-09-27 The most penetrating study of the curse ever conducted The Mummy s Curse uncovers forgotten nineteenth century fiction and poetry revolutionizes the study of mummy horror films and reveals the prejudices embedded in children s toys Examining original surveys and field observations of museum visitors demonstrate that media stereotypes to which museums inadvertently contribute promote vilification of mummies which can invalidate demands for their removal from display Jasmine Day shows that the curse s structure and meaning has changed over time as public attitudes toward archaeology and the Middle East were transformed by events such as the discovery of Tutankhamun s tomb The riddle of the curse of the pharaohs is finally solved via a radical anthropological treatment of the legend as a cultural concept rather than a physical phenomenon A must for anyone interested in this ancient and mystifying legend **The Mummy! A Tale of the Twenty-Second Century** Jane Webb,2022-04-05 Frankenstein wasn t the only classic horror novel created by a woman Within a decade of the 1818 publication of Mary Shelley s Frankenstein another Englishwoman invented a foundational work of science fiction Seventeen year old Jane Webb Loudon took up the theme of reanimation moved it three hundred years into the future and applied it to Cheops an ancient Egyptian mummy Unlike Shelley s horrifying death dealing monster this revived creature bears the wisdom of the ages and is eager to share his insights with humanity Cheops boards a hot air balloon and travels to 22nd century England where he sets about remedying the ills of a corrupt government In recounting Cheops attempts to put the futuristic society to rights the young author offers a fascinating portrait of the

**The Supernatural in Modern English Fiction** Dorothy Scarborough, 1917      **The Complete Works: Spirite. The vampire. Arria Marcela. The quartette. The mummy's foot** Théophile Gautier, 1909      A Mummy's Tale Anna Kirschberg, 2021      **A Century of French Fiction** Benjamin Willis Wells, 1898      **The Mummy** Katie Roden, 1996 Explores the world of hidden tombs the art of embalming terrible curses and the living dead      **The Mummy!** Jane Webb Loudon, 2019-07-19 In the year 2126 England enjoyed peace and tranquillity under the absolute dominion of a female sovereign Numerous changes had taken place for some centuries in the political state of the country and several forms of government had been successively adopted and destroyed till as is generally the case after violent revolutions they all settled down into an absolute monarchy In the meantime the religion of the country had been mutable as its government and in the end by adopting Catholicism it seemed to have arrived at nearly the same result despotism in the state indeed naturally produces despotism in religion the implicit faith and passive obedience required in the one case being the best of all possible preparatives for the absolute submission of both mind and body necessary in the other In former times England had been blessed with a mixed government and a tolerant religion under which the people had enjoyed as much freedom as they perhaps ever can do consistently with their prosperity and happiness It is not in the nature of the human mind however to be contented we must always either hope or fear and things at a distance appear so much more beautiful than they do when we approach them that we always fancy what we have not infinitely superior to any thing we have and neglect enjoyments within our reach to pursue others which like ignes fatui elude our grasp at the very moment when we hope we have attained them
