Just Below South Jessica Adams, Michael P. Bibler, Cécile Accilien, 2007 Just Below South is the first book to examine the U S South and the Caribbean as a regional interculture shaped by performance as a space defined not so much by a shared set of geographical

boundaries or by a single common culture as by the weave of performances and identities moving across and throughout it. By offering fresh ways for thinking about region, language and performance, the volume helps to reimagine the possibilities for American Studies. It advances beyond current analyses of historical or literary commonalities between the South and the Caribbean to explore startling and significant connections between a range of performances including Trinidadian carnival, Civil War reenactments, the Martinican dance form kalenda, dramatic adaptations of Uncle Tom's Cabin, rituals of spirit possession, the teaching of Haitian Kreyòl, the translation of Louisiana Creole and the imaginative travels of southern and Caribbean writers. While generating textual conversations among scholars of Francophone, Anglophone and Hispanophone literature and culture and forging innovative ties between cultural studies, performance studies, linguistics, literary analysis and studies of the African diaspora, these essays raise provocative new questions about race, ethnicity, gender, class and nationality.

Nigeria Magazine, 1962 **Freeing the Spirit**, 1974 [Speaking with the Dead](#) Andrés Isidoro Pérez y Mena, 1991. As the subtitle indicates, this study focuses on Puerto Rican Spiritism, that mixture of spiritualism and the teachings of Allan Kardec that swept Latin America in spite of the Roman Catholic church's strong opposition. Dr. Pérez y Mena traces the movement's historical growth, then investigates its function today, how it differs from similar practices such as the Cuban Santería, its practices and promises, and how the congregation participates. The roles of Godchild, Ahijado, the Godfather, Padrino, the public, El Público, and the associates, Los Asociados, in the centro espiritista are described, as well as the fulfilling role of Afro-Latin cultural beliefs generally among Latinos in the United States.
