Kim Edwards - The Twilight Murders Katherine Smith,2023-07-10 In April 2016 the unassuming town of Spalding in Lincolnshire earned an unwelcome place in true crime history when it turned out to be the home of Britain's youngest ever double killers The victims were a forty nine year old mother named Elizabeth Edwards and her thirteen year old daughter Katie They were stabbed in the throat and then suffocated with pillows as they lay in their beds at night These awful murders were unspeakably brutal and harrowing The mastermind of the murders was Kim Edwards Kim was the middle daughter of Elizabeth and the older sister of Katie She had not acted alone in these evil and gruesome crimes Her loyal boyfriend Lucas Markham had been more than willing to kill these family members for her It was shocking enough that someone would plan and carry out the violent premeditated murder of their mother and little sister but most shocking of all was the tender age of these killers Kim Edwards and Lucas Markham were both just fourteen years old They were still kids Once they satisfied themselves that Elizabeth and Katie were dead Kim Edwards and Lucas Markham eventually went downstairs where they ate ice cream and watched four Twilight movies It was this last strange and shocking detail that would not only give these two teen killers their true crime tag The TWILIGHT Killers but also become the most chilling revelation in court What sort of person stabs a mother and a little girl to death in the throat and then eats ice cream and watches DVDs as if nothing has happened Kim Edwards and Lucas Markham did though It was utterly and completely beyond all comprehension How do you even begin to understand what happened on that tragic day in 2016

Robinson, Michael T. Cahill, 2006 This book is for thoughtful legislators and all the rest of us who seek justice for persons charged with crimes proportional punishment of the guilty and exculpation of the morally blameless The authors demonstrate with remarkable lucidity how and why the criminal law sometimes deliberately sacrifices justice for other goals and they provide thoughtful controversial and often persuasive suggestions on how we can redesign our legal system to give people their just deserts In the book the authors offer an account of how the American criminal justice system fails to give offenders their just deserts in a number of different contexts From the refusal to allow partial exoneration for defenses like mistake of law and insanity to the practical limitations on detecting and prosecuting offenders they also demonstrate through discussions of actual cases the many areas where criminal sentencing fails to do justice Dust jacket
