Murder In The Fourth Dimension:

Murder in the Fourth Dimension Clark Ashton Smith, 2011-12-10 A scribbled note left by a tree was the only clue to two missing men Excerpt Not everyone perhaps will believe that my ten years hatred for Edgar Halpin was the impelling force that drove me to the perfecting of a most unique invention Only those who have detested and loathed another man with the black fervor of the feeling I had conceived will understand the patience with which I sought to devise a revenge that should be safe and adequate at the same time The wrong he had done me was one that must be expiated sooner or later and nothing short of his death would be sufficient However I did not care to hang not even for a crime that I could regard as nothing more than the mere execution of justice and as a lawyer I knew how difficult how practically impossible was the commission of a murder that would leave no betraying evidence Therefore I puzzled long and fruitlessly as to the manner in which Halpin should die before my inspiration came to me I had reason enough to hate Edgar Halpin We had been bosom friends all through our school days and through the first years of our professional life as law partners But when Halpin married the one woman I had ever loved with complete devotion all friendship ceased on my side and was replaced by an ice like barrier of inexorable enmity Even the death of Alice five years after the marriage made no difference for I could not forgive the happiness of which I had been deprived the happiness they had shared during those years like the thieves they were I felt that she would have cared for me if it had not been for Halpin indeed she and I had been almost engaged before the beginning of his rivalry

The Love of Ruins Scott Cutler Shershow, Scott Michaelson, 2017-02-21 Today H P Lovecraft is both more popular and controversial than ever the influence of his Cthulhu mythos is everywhere in popular culture his cosmic pessimism has reemerged as a major theme in contemporary philosophy and his racism continues to spark controversy in the media The Love of Ruins takes a fresh look at a figure widely acknowledged as the father of modern horror or weird fiction In these pages Lovecraft emerges not as the atheist and nihilist he is often claimed to be but as a kind of psychonaut and mystic whose stories through their own imaginative rigor expose the intellectual bankruptcy of their author's racism The Love of Ruins is itself written in the form of letters in order to do homage to Lovecraft's love of the form of the personal letter he wrote more than 100 000 and to emulate Lovecraft's lifetime practice of thinking as corresponding
