New Managers Handbook:

The New Manager's Handbook Morey Stettner, 2002-12-26 The New Manager's Handbook 24 Lessons for Mastering Your New Role You've been promoted to manager and that puts you in a whole different ballgame. From difficult employees to demanding bosses you never know where your next problem is coming from. What you do know is that you'll be expected to solve that problem and solve it quickly and effectively. The New Manager's Handbook explains the rules of this new game and gives you invaluable tips and pointers for teaming with your employees while inspiring them to breakthrough performance and results. Let the two dozen rules and guidelines in this quick hitting manual show you the best ways to Delegate, Review performance, Think strategically, Lead great meetings, Give and get results oriented feedback, Provide direction, Speak with power, Criticize with honesty and tact, Ask the right questions, Motivate average performers, Prepare for change. As a new manager in today's no room for error workplace you will be challenged and tested every day. Unlike previous positions however your success will be judged by the performance of others. Give yourself every opportunity to succeed and learn how to win the respect of both your employees and your supervisors with the time tested and field proven techniques in The New Manager's Handbook.

The Harvard Business Review Manager's Handbook Harvard Business Review, 2016-12-13 The one primer you need to develop your managerial and leadership skills. Whether you're a new manager or looking to have more influence in your current management role the challenges you face come in all shapes and sizes. A direct report's anxious questions, your boss's last minute assignment of an important presentation or a blank business case staring you in the face. To reach your full potential in these situations you need to master a new set of business and personal skills. Packed with step by step advice and wisdom from Harvard Business Review's management archive the HBR Manager's Handbook provides best practices on topics from understanding key financial statements and the fundamentals of strategy to emotional intelligence and building your employees' trust. The book's brief sections allow you to home in quickly on the solutions you need right away or take a deeper dive if you need more context. Keep this comprehensive guide with you throughout your career and be a more impactful leader in your organization. In the HBR Manager's Handbook you'll find Step by step guidance through common managerial tasks, Short sections and chapters that you can turn to quickly as a need arises, Self assessments throughout, Exercises and templates to help you practice and apply the concepts in the book, Concise explanations of the latest research and thinking on important management skills from Harvard Business Review experts such as Dan Goleman, Clayton Christensen, John Kotter and Michael Porter, Real life stories from working managers, Recaps and action items at the end of each chapter that allow you to reinforce or review the ideas quickly. The skills covered in the book include Transitioning into a leadership role, Building trust and credibility, Developing emotional intelligence, Becoming a person of influence, Developing yourself as a leader, Giving effective feedback, Leading teams, Fostering creativity, Mastering the basics of strategy, Learning to use financial tools, Developing a business case.
