

# The State Constitution of 1910

- Enabling Act of 1910:
  - required NM to write a state constitution.
- 3 previous attempts in 1850, 1872, 1889
- This attempt must be “safe and sane”

# New Mexico's 1910 Constitution A 19th Century Product

**Corrine M. McConnaughey**

## **New Mexico's 1910 Constitution A 19th Century Product:**

*New Mexico's 1910 Constitution* Dorothy I. Cline, 1985-01-01      *The New Mexico State Constitution* Professor Charles E. Smith, 2011-04-15 The New Mexico State Constitution provides an outstanding constitutional and historical account of the state's governing charter. It begins with an overview of New Mexico's constitutional history and then provides an in-depth section-by-section analysis of the entire constitution detailing important changes that have been made since its drafting. This treatment, which includes a list of cases, index, and bibliography, makes this guide indispensable for students, scholars, and practitioners of New Mexico's constitution. Previously published by Greenwood, this title has been brought back into circulation by Oxford University Press with new verve. Reprinted with standardization of content organization in order to facilitate research across the series, this title, as with all titles in the series, is set to join the dynamic revision cycle of *The Oxford Commentaries on the State Constitutions of the United States*. The Oxford Commentaries on the State Constitutions of the United States is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions. Each volume in this innovative series contains a historical overview of the state's constitutional development, a section-by-section analysis of its current constitution, and a comprehensive guide to further research. Under the expert editorship of Professor G. Alan Tarr, Director of the Center on State Constitutional Studies at Rutgers University, this series provides essential reference tools for understanding state constitutional law. Books in the series can be purchased individually or as part of a complete set, giving readers unmatched access to these important political documents.

*Democratic Beginnings* Amy Bridges, 2017-12-15 State constitutions are blueprints for government institutions, declarations of collective identity, statements of principle, values, and goals. It naturally follows, and this book demonstrates, that the founding documents and the conventions that produced them reflect the emerging dynamics of American democracy in the nineteenth century. Nowhere is this more clear. Amy Bridges tells us in *Democratic Beginnings* than in the American West. A close study of the constitutional conventions that founded eleven Western states and of the constitutions they wrote, *Democratic Beginnings* traces the arc of Western development. Spanning the sixty years from California's constitution of 1850 to those of Arizona and New Mexico in 1910, and including Colorado, Idaho, Montana, Nevada, and Wyoming, Bridges shows how delegates to these states' constitutional conventions pragmatically and creatively devised law and policy for the unprecedented challenges they faced. Far from the island communities of conventional 19th-century American history, these delegates and the territories they represented were thoroughly engaged in the central issues of their times at the local, regional, and national levels: mining and agriculture, labor law, and corporate responsibilities, water rights, and government obligations, education, and judicial practice. Theirs was not the Founders' constitutional convention. With very different tasks, delegates more representative of the population and the experience of living in a democratic republic than their forebears, the Western delegates found unparalleled opportunities at the conventions for popular input into law.

and public policy What they did with these opportunities and how these in turn shaped the emerging American West is the story Democratic Beginnings tells *New Mexico Historical Review* Lansing Bartlett Bloom, Paul A. F. Walter, 2013 **The Woman Suffrage Movement in America** Corrine M. McConnaughy, 2013-10-14 This book departs from familiar accounts of high profile woman suffrage activists whose main concern was a federal constitutional amendment It tells the story of woman suffrage as one involving the diverse politics of women across the country as well as the incentives of the men with the primary political authority to grant new voting rights those in state legislatures Through a mix of qualitative and quantitative evidence the book explains the success and failures of efforts for woman suffrage provisions in five states and in the US Congress as the result of successful and failed coalitional politics between the suffrage movement and important constituencies of existing male voters including farmers organizations labor unions and the Populist and Progressive parties *The Michigan Alumnus* ,1986 In v 1 8 the final number consists of the Commencement annual *Report of the Constitutional Revision Commission* New Mexico. Constitutional Revision Commission, 1995 *New Mexico Magazine* ,1986-07 *A Selective Bibliography of New Mexico History* Jon Hunner, 1992 **Vertical File Service Catalog** ,1985 **Arizona and the West** ,1986 *New Mexico Law Review* ,2009 *National Legal Bibliography* ,1987 **The Politics of Suffrage Extension in the American States** Corrine M. McConnaughy, 2004 **American Babel** Marc Shell, 2002 If ever there was a polyglot place on the globe other than the Tower of Babel America between 1750 and 1850 was it Here three continents North America Africa and Europe met and spoke not as one but in Amerindian and African languages in German and English Spanish French and Dutch How this prodigious multilingualism lost its voice in the making of the American canon and in everyday American linguistic practice is the problem American Babel approaches from a variety of angles Looking at the first Arabic language African American slave narrative at quirks of translation in Greek American bilingual books and at the strategies of Yiddish women poets and Welsh American dramatists contributors show how linguistic resistance opposes the imperative of linguistic assimilation They address matters of literary authority in Irish Gaelic writing Creole novels and the multiple voices of the Zuni storyteller and in essays on Haitian Welsh Spanish and Chinese literatures they trace the relationship between domestic nationalism and immigrant internationalism between domestic citizenship and immigrant ethnicity *Under Sacred Ground* Kathleen P. Chamberlain, 2000 Navajo was set against Navajo in disputes over lifeways and identity of the Dine people This book is also an assessment of the price the land and culture of the Navajo ultimately paid for oil Sadly greater involvement in Anglo society meant less reverence for the land and sacred sites of the Dine Jacket **The Encyclopaedia Britannica** ,1929 *New Mexico Genealogist* ,1998 **The Encyclopaedia Britannica** James Louis Garvin, Franklin Henry Hooper, Warren E. Cox, 1929 *The Bloomsbury Review* ,1984

The book delves into New Mexico's 1910 Constitution, a 19th Century Product. New Mexico's 1910 Constitution, a 19th Century Product, is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public.
