Old Testament Law for Christians Roy E. Gane,2017-08-22 The Old Testament law is foundational for our understanding of the Bible but for many it remains some of the Old Testament s most foreign and exotic material This book by a leading evangelical expert in biblical law helps readers understand Old Testament law how it functioned in the Old Testament and how it is and is not instructive for contemporary Christians The author explicates the often confusing legal system of ancient Israel differentiates between time bound cultural aspects of Israelite law and universally applicable aspects of the divine value system and shows the ethical relevance of Old Testament law for Christians today

**New Testament and the Law** Michael Marks,Reverend Michael Marks, Dr,1999-10 A W Tozer said Every

time a Christian picks up his Bible he is reminded of his debt to the Jews It is an astonishing thing that multitudes of Bible students and lovers of the truth should calmly overlook their obligation to Israel This book is a study on the validity of the Old Testament Jewish Law and traditions in the life of the modern Christian It clears the confusion concerning what part the Old Testament still plays in the life of the Believer Many hold to the idea that the only value and purpose the Torah has is historical and poetical and that it lacks any real legitimacy in governing the modern day believer Yet in spite of this confusion and supposed outdatedness many Jewish and Gentile Christians have taken up a search for a historical Biblical lifestyle and have returned to some of the early Jewish traditions and practices as outlined in the Old Testament This book portrays a zealous attempt by the author to rediscover Scriptural roots and heritage for all Believers Author Data Reverend Michael Marks serves as the Messianic Pastor of Shammash Ariel Messianic Congregation of Pueblo Colorado Michael along with his wife Winnie founded their congregation in 1997 The Marks also serve as field representatives of Alliance Jewish Ministries which is the Messianic arm of the C MA

*The New Testament Validates Torah* J. K. McKee,2012-03-20 The New Testament Validates Torah is a study that all Messianic Believers need especially in the current season of considerable growth and expansion in which our broad faith community finds itself On the whole today s Messianic movement holds that the Torah or the Law of Moses remains valid instruction for God s people and that Yeshua the Messiah Jesus Christ did not come to abolish or do away with it Matthew 5 17 19 Yet throughout much of Christian history many theologians have argued that the Law has been rendered inoperative and or that it was only to be followed by those in the pre resurrection era Many Messianics are incapable of responding to the common arguments delivered by their Christian family members friends acquaintances or even various pastors and teachers that they know who quote verses to them from the Apostolic Scriptures New Testament which supposedly prove that the Law has been done away Has Moses Teaching been abolished This publication is a lengthy study that analyzes and critically examines in detail a wide number of New Testament passages that are commonly offered as proof texts to claim that the Torah is not to be followed by those in the post resurrection era Statements such as not being under the Law Romans 6 14 15 Christ is the end of the Law Romans 10 4 All things are lawful 1 Corinthians 6 12 abolishing the Law of commandments contained in ordinances Ephesians 2 15 having nailed it to the cross Colossians 2 14 and many more are considered Considerable attention is given to the Greek source text of the Apostolic Scriptures and where translation errors into English appear to have been made by various modern versions Cross examination and discussion with a wide number of commentators have

also been offered as well as an exploration of important subjects present within today's Biblical Studies The New Testament Validates Torah is an important apologetic study that will benefit Messianic Believers and evangelical Christians alike There is literally nothing in today's Messianic movement that has compiled as much information on Torah relevance for God's people into a single book Also unlike some other publications issued on the message of Torah relevance The New Testament Validates Torah is highly respectful to Christian voices over the centuries who have valued what they have considered to be the moral law of the Old Testament and seeks to honor those who have preceded us in the faith     **The Theology of the New Testament** Johannes Jacobus van Oosterzee,1871
