New Testament Times:

New Testament Times Merrill C. Tenney, 2004 The correct and full interpretation of Scripture often depends on having an understanding of the culture in which the writers of the Bible lived Tenney explores the political social and cultural forces of the first century world in full color with photographs maps and drawings *A History of the New Testament Times* Adolf Hausrath, 1895 *A History of the New Testament Times* Adolf Hausrath, 1895 **A History of the New Testament Times. The Time of Jesus** Adolf Hausrath, 1880 *A History of New Testament Times; The Time of Jesus* A. Hausrath, 2017-08-13 *A History of the New Testament Times* Adolf Hausrath, 2023-11-27 Reprint of the original first published in 1878 **The Literature and History of New Testament Times** John Gresham Machen, 2020-08-15 Reproduction of the original *The Literature and History of New Testament Times* by John Gresham Machen *A History of the New Testament Times* Adolf Hausrath, 1895 **Israel and the Covenants in New Testament Times** Peter Williams, 2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

The Time of the Apostles; Vol. III, A History of New Testament Times Adolf Hausrath, 2017-08-19 **A History of New Testament Times in Palestine, 175 B.C.-70 A.D.** Shailer Mathews, 1908 *A History of New Testament Times in*

Palestine, 175 B. C. -70 A. D. Shailer Mathews, 2018-11-28 What was Jerusalem like when Jesus walked the earth How was Judea governed And how did the average Jewish person live two thousand years ago These questions along with many other fascinating ones are fully examined by Shailer Mathews through the course of this fascinating work Beginning in the period prior to the Roman conquest Mathews explores what life was like in Palestine under the Seleucid Empire which had controlled the area since Alexander the Great Mathews examines the emergence of the Jewish state in the aftermath of the revolt led by Judas Maccabaeus and how this period contrasted with that which had preceded it and the Roman rule that would shortly follow it Mathews work is a fascinating history of the early Jewish state and the rulers that emerged there in the years before and after the birth of Christ Particularly interesting is the thirteenth chapter which examines the historical world that existed which Jesus was alive It is a captivating book that demonstrates how Jesus was not born into a vacuum but that he interacted with the world that he saw around him the present work is to be most heartily commended to all that wish to know the course of Jewish history during the eventful period with which it deals and that means to all students of the New Testament for the work of Christ and his apostles can be understood only when viewed in its setting in the life of the people from whose bosom they came The Journal of Religion Shailer Mathews was a liberal Christian theologian involved with the Social Gospel movement Mathews was a prolific author served as president of the Chicago Society of Biblical Research twice and also served as dean of the Divinity School of the University of Chicago His book *A History of New Testament Times in Palestine* was first published in 1899 New Testament Times.
