These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways.

1 & 2 Corinthians MacArthur New Testament Commentary Set John MacArthur, 2003-11-01 This package contains the complete two volume set of First Corinthians and Second Corinthians from the MacArthur New Testament Commentary series. The MacArthur New Testament Commentary series continues to be one of today's top selling commentary series. In First Corinthians and Second Corinthians, respected preacher and Bible teacher John MacArthur demonstrates how the Corinthian church required Paul's repeated care as the apostle sought to correct errors of unchristian practice, worship and doctrine. Concerned with false apostles who were leading the church astray, Paul defended his own authority as God's apostle and sought reconciliation within the church. MacArthur explores these issues by giving a verse by verse analysis in context and providing points of application for passages illuminating the biblical text in practical and relevant ways. Both volumes form yet another set of comprehensive and compelling commentaries in his New Testament series and are a must have for every pastor's library.

2 Corinthians MacArthur New Testament Commentary John MacArthur, 2003-11-01 Second Corinthians is the most personal of Paul's letters, providing unique insight into his heart for God and his motivation in ministry. With his credibility under attack, Paul reluctantly defended himself for the sake of the gospel. In doing so, he offers a perspective that will encourage every believer, especially when enduring the hardships of ministry. Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical.
