and Firvulag were banished to Pliocene Earth This menace becomes almost incidental when Aiken discovers that his realm is about to be invaded by another human who possesses metapsychic powers even greater than Aiken's own He is Marc Remillard the Adversary instigator of the Metapsychic Rebellion who nearly conquered the Milieu and then fled through the time gate after his defeat Marc and his surviving followers come against Aiken when it seems that a new time gate is about to be built one that will provide a two way portal between the Many Colored Land and the future world of the Milieu The Adversary like its predecessors The Many Colored Land The Golden Tore and The Nonborn King combines science and fantastic imagery with rousing adventure humor and an optimistic view of the human character as it contends against mental and physical perils
