Presenting Norma Fox Mazer Sally Holmes Holtze, 1987. A critical study of a popular author and her work which has been influential in the field of realistic fiction for young adults. Good Night, Maman

Norma Fox Mazer, 2015-06-16. Escaping from the terrors of World War II, Karin gets the chance for a new life in America, but she can't stop thinking about her mother who she left behind in France. Karin Levi's life in Paris was happy and normal. She never dreamed she would find herself hiding in a cramped attic with her family, sitting silently while police went from house to house hunting for Jews and turning them over to German soldiers. Hopeless and scared, only Maman's loving smile and caring touch give Karin the strength to keep going. But soon Karin and her older brother Marc must flee the attic, crossing

land and sea in search of safety and leaving Maman behind. Longing for her mother and a return to their happy life, Karin expresses her love in letters she won't be able to send until the war is over. Dearest Maman.

Missing Pieces Norma Fox Mazer, 2015-06-16. Jessie's father has always been a missing piece of her life, but if she were to find him, how would he feel about her? Jessie Wells thinks four is a good number. Things with four sides are sturdy and strong: a box, a chair, a room with four walls. But ever since the day Jessie's dad left, Jessie, her mother, and Aunt Zis have been a triangle, three-sided though solidly linked. Jessie has heard the story: Her beautiful young mother had married a prince who disappeared one day, so she had raised her daughter with the help of Aunt Zis. But lately the picture in Jessie's mind seems incomplete. Who is James Wells? she wonders. He must be more than just a deadbeat dad who deserted his wife and child, and Jessie is determined to find out, even if she has to call every Wells in the phone book and there are a lot of them. But if Jessie finds her father and asks him all her questions, will she like the answers?

A, My Name Is Ami Norma Fox Mazer, 2015-06-16. The more things change, the more Ami wishes they'd stay exactly the same. Ami and her best friend Mia share almost everything, even the letters in their names. But when Ami's mom and dad separate and her mom moves out, even all of the traditions she and Mia share can't put her family back together. Ami wants everything to go back to the way it was for her mother, not to live in an apartment and have a life of her own, and for her dad not to go to dinner with the new science teacher, Ms. Linsley. At least her friendship with Mia will always be the same, won't it?

Out of Control Norma Fox Mazer, 2015-05-19. Going along with the crowd can have shattering consequences. Why does everyone always want you to make so many choices: Pizza or burgers, swimming or a movie, one friend or another, yes or no? For Rollo Wingate, who's always been the biggest guy in school, sometimes it's easier to relax and let someone else take the lead. After all, when he and his two best friends get together, they're always on the same page, which is probably why he goes along with it when the other boys target Valerie Michon at school. Every time they see her, bad things just happen. At first it's just a taunt, here a tiny insult, there. But things keep escalating, and finally the situation

turns into something much worse Rollo knows that a line has been crossed and he struggles to make sense of how things could have gone so wrong so quickly Maybe for the first time he s going to have to figure it out for himself A Figure of Speech Norma Fox Mazer,2015-05-19 Both overlooked in the middle of a big noisy family Jenny and her grandpa will always have each other to confide in right No one in Jenny Pennoyer s family understands her at all no one that is except her grandfather who lives in an apartment in the basement of her family s home Jenny and her grandfather have been close ever since she was born when Grandpa newly widowed found that a baby was just the thing he needed to get back on his feet But as Jenny s family grows and they re all pinched together in one house her parents become less and less patient with Grandpa s desire to be independent Jenny feels like his only defender the only one who sees him as a person with a mind of his own As Jenny grows increasingly protective Grandpa s determination and Jenny s love for him will lead them on an adventure together that their family never expected Three Sisters Norma Fox Mazer,2015-05-19 How s a girl supposed to know when she s in love and more importantly how does she get out of it One remarkable older sister would be bad enough but Karen Freed has two Liz a beautiful poet and Tobi compellingly intense and argumentative Karen knows she couldn t possibly compete but it would be nice to be known for something of her own The three have been inseparable all through Karen s childhood but now her sisters have moved into a world that Karen can t yet share and their blossoming romances make her feel left out Karen wishes some of their romance would rub off on her She has Davey but he s more best friend than love interest and despite his many advances Karen knows it wasn t meant to be Is something wrong with her Will she even know when love comes her way Then she falls head over heels for someone she definitely can t have Scott Liz s boyfriend Her feelings cause a rift between her and Liz one that Karen might not be able to fix But if anything has ever brought these three sisters together it s coming to one another s rescue **Presenting Norma Fox Mazer-C.C , B, My Name Is Bunny** Norma Fox Mazer,2015-06-16 Bunny is funny but that doesn t mean she s totally clueless when it comes to more serious matters With her quick wit and lighthearted personality Bunny Larrabee can make people laugh about almost anything She collects knock knock jokes riddles and all kinds of comedy routines to try out on her best friend Emily The only thing Bunny doesn t find humor in is her unusual name she s heard jokes about it her whole life and none of them are funny So when an impossibly gorgeous guy starts talking to her at a concert Bunny opens her mouth and says two fateful words I m Emily It s just one tiny lie but it will drive a wedge between the two best friends And with what looks like more serious misfortune on the horizon Bunny will need Emily s friendship and advice more than ever
