But I progressed much faster when I forced myself to listen to the BBC or not look at the subtitles when watching an American movie. I wish I had Susanna's book with me then. It's full of creative ideas and practical tips that are indispensable complements to the traditional methods of learning foreign languages, and it's coming from someone you can trust; she speaks so many of them. Philippe Levy, French native speaker. This book is great. It showed me another aspect and a new approach of learning a language. I will put the book to good use. As a foreign English speaker, I spent many years at school learning English and did not make much progress. A lot of the tips that I read in this book I learned them with time. However, if I had read this book earlier, it would have made my life much easier and I would have saved so much time. I am going to apply the tips in *Language is Music* into learning a third language, Spanish. This time I am

sure I will make huge progress much faster Not only is Language is Music useful in acquiring a foreign language but the resources and websites in the book are valuable for someone who wants to travel abroad Fabien Hsu French native speaker
