Pro Football Schedules Ivan Urena, 2013-12-25 This book explains how the NFL determines each team's opponents and how the league's scheduling format has evolved throughout the years. It includes a history on the evolution of the pro football schedule, explores all of the scheduling formulas used in the National Football League, American Football League, and the All America Football Conference, and presents home and away opponent charts from 1933 through the 2017 season.
