*Aboard Carolyn Shearlock, Jan Irons, 2012-09-28* No matter what anyone tells you boat cooking IS different from cooking ashore. The space is smaller, there's no grocery store 5 minutes away, you have fewer prepared foods and electric appliances, and food storage is much different. Despite cruising different oceans, we Jan and Carolyn both faced the same challenges: eating well while having time to enjoy all the other great aspects of cruising. We love to snorkel, swim, kayak, explore, and just sit and admire the view. We learned with the cookbooks we both had aboard and wished for information that wasn't available like when Jan ended up with a frozen chicken complete with head and feet and no instructions on how to cut it up. When we couldn't get foods such as sour cream, English muffins, spaghetti sauce, or yogurt, we adapted recipes to make our own. Other times we experimented with substituting ingredients; maybe the result wasn't identical, but it was still tasty. We ended up with over 150 substitutions and dozens of make-it-yourself options. As we traded recipes and knowledge with each other, we realized we were compiling information that became *The Boat Galley Cookbook*: 800 recipes made from readily obtainable ingredients with hand utensils, including numerous choices to suit every taste, not just one cake but 20, 16 ways to prepare fish, 10 regional barbecue sauces, and so on. Step-by-step directions to give even non-cooks the confidence they can turn out tasty meals without prepared foods. Detailed instructions on unfamiliar things like making yogurt and bread, grilling virtually every food imaginable, preparing and cooking freshly caught fish and seafood, cutting up and boning meat, cooking in a Thermos, and baking on the stove top, as well as lots of tips on how to do things more easily in a tiny moving kitchen. All this in an easy-to-navigate format including side tabs on the Contents to help you find your way and extensive cross-reference lists at the end of each chapter. Quick Reference Lists provide idea starters, suggestions of included recipes for such categories as Mexican, Asian, and Potluck. *The Boat Galley Cookbook* is designed to help you every step of the way. We hope it becomes a trusted reference on your boat and a source of many enjoyable meals.

[Super Simple Sous Vide Recipes](#) Madison Cooper, 2021-05-05 55% OFF for Bookstores LAST DAYS Your Customers Never Stop to Use this Awesome Cookbook Do you want to keep up with innovation and in the meantime cook tasty dishes for your family like a real chef DISCOVER Super Simple Sous Vide Recipes The kitchen is a constantly evolving sector and one of the most interesting innovations in cooking techniques is that of low temperature cooking or sous vide cooking. Cooking food at low temperatures involves cooking the product at a temperature between 50 and 60 degrees. A low temperature cooker allows food to be cooked thanks to the recycling of heat, favoring the uniformity of cooking both inside and outside the product. This process makes the meat juicier and more tender, avoiding dispersing the juices and nutritional properties of the food. In short, it is true that cooking at a low temperature requires slow cooking and consequently times are considerably longer, but the result will certainly be better. This book dedicates space to everything you need to know about this particular type of cooking and answers all the questions you will ask yourself if you are a beginner, as well as of course containing recipes of Appetizers, Meat, Fish, and Seafood, Fruit and Vegetables, Desserts, Cocktails.
