TikTok Broadway Trevor Boffone, 2024 TikTok Broadway Musical Theatre Fandom in the Digital Age explores how TikTok has revolutionized musical theatre fandom and democratized musical theatre fan cultures and spaces. The book argues that TikTok has created a new canon of musical theatre thanks to the way virality works on the app, expanding musical theatre into a purely digital realm that spills into other non-digital aspects of U.S. popular culture. *Tiktok Exit of American Market* Martha Davis, 2025-04-02 This book delves into the dramatic journey of one of the world's most popular social media platforms as it navigates the complexities of the American landscape. This thought-provoking book examines the rise of TikTok, its impact on culture, marketing, and social connection, and the factors leading to its controversial exit from the U.S. market. Explore the phenomenon of viral trends, the power of influencers, and how TikTok revolutionized digital content creation and consumption. Discover key moments that defined its success, from catchy dance challenges to viral memes, and the implications of its departure for creators, brands, and users alike. With in-depth analysis and expert insights, this book offers a comprehensive look at the intersection of technology, politics, and society, revealing the underlying tensions between national security concerns and the desire for creative expression. *TikTok Exit of the American Market* is essential reading for social media enthusiasts, marketers, and anyone curious about the ever-evolving landscape of digital communication. Join us as we examine a phenomenon that went from viral to vanish and consider what the future holds for social media in America.

As Cooked on TikTok TikTok, 2022-06-14. Featuring both viral and brand new recipes from many of the community's most beloved TikTok food creators. This cookbook is full of some of TikTok's biggest trends, displaying innovative cooking and fun dishes to make at home. Gordon and Tilly Ramsay from the foreword. Bring the fun to your kitchen with some of the most popular recipes you know and love from the entertainment platform with more than one billion users globally. Featuring over sixty recipes from more than forty food creators on the platform. *As Cooked on TikTok* offers something different and delicious on every page. There's The Ultimate Breakfast Sandwich from The Korean Vegan, Grilled Jalapeño Corn Off the Cob from Cooking with Shereen, Ramen Carbonara from Cooking with Lynja, Bang Bang Shrimp from Newt, and Strawberry Cream Puffs from ScheckEats, plus tips and techniques from TikTok star chefs like Ming Tsai, Alex Guarnaschelli, and The Pasta Queen, among others. Each recipe has not only been tested and vetted for home kitchens but also includes a QR code to scan so you can go straight to that creator's page. It's like making a meal with the creator right in your kitchen with you. **20**

Seasons: Broadway Musicals of the 21st Century Amy S. Osatinski, 2023-08-03. *20 Seasons Broadway Musicals of the 21st Century* catalogues and analyzes the 269 musicals that opened on Broadway from the 2000-2001 season through the 2019-2020 season. This book is the first to comprehensively examine the musicals that premiered on Broadway during this important historical period, which was bookended by the 9/11 terrorist attacks on one end and the Coronavirus pandemic on the other. It begins by exploring the historical context for the first 20 years of the 21st century and how this

impacted American culture and theatre. Rather than chronologically, the musicals are then organized into categories based on their source material and whether they were original musicals or revivals, painting a detailed picture of the Broadway musical in the first 20 years of the 21st century. Jukebox musicals, screen to stage musicals, revivals, and other original musicals are all covered, and each chapter ends with reading guides and discussion prompts. The book not only discusses what was produced but by whom, uncovering the stark lack of representation for women and artists of color on Broadway musical creative and design teams. Additionally, the last chapter discusses the COVID-19 pandemic, the Broadway shutdown, and what happened to the Broadway musical during the shutdown, including the response to the Black Lives Matter movement in the summer of 2020. 20 Seasons: Broadway Musicals of the 21st Century will appeal to fans and scholars of musical theatre as well as students of Musical Theatre, Musical Theatre History, American Studies, and Pop Culture Studies.

It Starts with One

Jason Lipshutz, 2024-10-01. From the executive director of music at Billboard, an extensive look inside the 20-year career of mega-selling rock band Linkin Park, featuring new interviews, exclusive quotes, and insights from the band's associates and collaborators. Linkin Park is one of the 21st Century's biggest and most important rock bands. All it takes is one quick glance at the numbers: 11 Top 40 hits on the Hot 100 and six No. 1 albums on the Billboard 200 over a dozen massive tours, 27 major award wins, 100 million records sold worldwide, over 30 million monthly Spotify listeners. To realize that when it comes to the metrics of music consumption and fandom, there's no bigger group in recent memory. And yet, despite their enduring legacy within rock, there's never been a full, comprehensive biography of Linkin Park until now. In "IT STARTS WITH ONE: The Legend and Legacy of Linkin Park," Billboard's executive director of music, Jason Lipshutz, chronicles the innovation and influence of this legendary band from their early childhoods to the moment their paths crossed to the genesis of their iconic first album, "Hybrid Theory," and all that followed. Not only were they able to synthesize trends in pop and hip hop amidst the post-grunge era and nu metal boom, then constantly reinvent their sound over multiple albums. Linkin Park's radically vulnerable lyrics also helped usher in a new era of artists and fans more open to discussing mental health and prioritizing inclusivity. Led by their front men, Chester Bennington and Mike Shinoda, who balanced each other out artistically, Linkin Park never shied away from songs that put their issues front and center for the world to see and feel. Tragically, Chester succumbed to his demons and passed away in 2017, but the music endures, and in order to truly appreciate the band's singular power to bring people together, we need to take a closer look at how exactly Linkin Park changed popular music. Through in-depth reporting and interviews, as well as new reflections from their collaborators and contemporaries, "IT STARTS WITH ONE" explores how one band made such a big impact on modern music, effectively cementing Linkin Park's long-overdue place in music history.
