*New Creation Realities* E. W. Kenyon, 2025-07-15 Christianity has revealed the secret that psychologists have long sought the inward soul the re created spirit the focus of God's great redemptive work on earth The four Gospels give us a wonderful picture of the lonely man of Galilee the humble Messiah who ends His earthly walk on Calvary But Paul's Epistles give us the risen triumphant One the conqueror of death sin and Satan He provides the revelation of what happened on the cross and in the tomb and how that affects who and what we are in Christ today Legendary Bible teacher E W Kenyon delves deeply into Paul's teaching to give us a living picture of the entire substitutionary work of Christ which made possible the new creation a new race of men and women who can stand in God's presence without a sense of guilt condemnation or inferiority

Christ and the New Creation Matthew Y. Emerson, 2013-04-10 In Christ and the New Creation Matthew Emerson takes a fresh approach to understanding New

Testament theology by using a canonical methodology Although typically confined to Old Testament theology Emerson sees fruitfulness in applying this method to New Testament theology as well Instead of a thematic or book by book analysis Emerson attempts to trace the primary theological message of the New Testament through paying attention to its narrative and canonical shape He concludes that the order of the books of the New Testament emphasize the story of Christ's inauguration commissioning and consummation of the new creation

### **The New Creation**

Herbert McCabe,2010-10-28 A reissue of McCabe s study of the sacraments and what it means to live in the Church and the Church s world The New Creation explores how human beings can reach real unity with one another and the world around them through the Spirit of Christ The New Creation engages with themes like the Word of God the Son of God the meaning of community and communion and the sacraments as mysteries of human unity the place of physical healing in the redeemed world and the Old Testament and pagan religious foundations upon which modern Christianity is built There is a humane simplicity in McCabe s insights into all of these subjects similar to that found in the Gospels which provides the reader with clarity on inherently complex theological issues Christ is present to us in so far as we are present to each other as McCabe tells us and this book plainly and vividly encourages us to find the company of both

### **As It Was in the Beginning** Mark

Owens,2015-10-15 Paul s comments regarding the new creation in 2 Cor 5 17 and Gal 6 15 have tended to be understood somewhat myopically Some argue the phrase new creation solely refers to the inward transformation believers have experienced through faith in Jesus Christ Others argue this phrase should be understood cosmologically and linked with Isaiah s new heavens and new earth Still others advocate an ecclesiological interpretation of this phrase that views Paul referring to the new community formed around Jesus Christ In As It Was in the Beginning Mark Owens argues that the concept of new creation should be understood like the gospel within the realm of Paul s anthropology cosmology and ecclesiology At the same time he also argues that Paul s understanding of new creation belongs within an Urzeit Endzeit typological framework especially within 2 Cor 5 6 and Eph 1 2 This reading of new creation attempts to give due weight to the use of Isaianic traditions in 2 Cor 5 17 and Eph 2 13 17 Owens demonstrates that the vision of new creation in 2 Corinthians and Galatians is starkly similar to that of Ephesians
