production of a masque of this nature might be a tiny factor in the building of that greater league of cooperation and brotherhood which one day will redeem the world these men and women labored ardently for its success That spirit of enthusiasm disseminated throughout the county brought help and encouragement from every other village No small degree of the enthusiasm was created by the fact that the proceeds of the Masque were to be devoted to the county fund for the Red Cross that sole redeeming agency in the turmoil that now distorts the world About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections
