Subcreation: Fictional-World Construction from J.R.R. Tolkien to Terry Pratchett and Tad Williams Stefanie Schult, 2017-01-26 The doctoral thesis argues that the term Subcreation with its revised and broadened definition in part differing from J R R Tolkien s original term sub creation may be used for the discussion of the making of fictional worlds in literary discourse The successful conception of a fictional world depends on the reader s willing suspension of disbelief This depends both on the author and his skilled composition of the world and all its aspects as well as on the reader s acceptance of this invented fictional world The author needs to create a narrative with an inner consistency which is crucial to achieving the effect of the reader s immersion in the fictional world The fundamental aspects that an author needs to realize to achieve successful Subcreation have been structured into and analysed in four categories Language and Linguistic Variation Physiopoeia Anthropoeia and Mythopoeia Furthermore this thesis shows that as contemporary examples of fantastic literature both Tad Williams s and Terry Pratchett s fictional worlds are successfully created through the realization of these aspects of Subcreation Apart from commenting on the success of the subcreative process this thesis also remarks upon the cultural influences both authors include in their writings While both may be considered Anglophone in a general categorization Pratchett s Discworld retains a feeling of Britishness that is not to be found in Williams s Otherland The thesis proposes several approaches to Subcreation that may be studied subsequently So for example it may be possible to

determine the success of an author's Subcreation by collecting empirical data Apart from literary works this field of studies may also include other media **Children's Writers' & Artists' Yearbook 2023** Bloomsbury Publishing,2022-07-21 Foreword by bestselling and award winning author Smriti Halls The indispensable guide to writing for children of all ages from pre school to young adults this Yearbook provides inspirational articles from dozens of successful writers and illustrators on how to get your work published It includes a directory of over a thousand up to date listings with contacts from across the media and publishing industry This bestselling Yearbook is full of practical advice on all stages of the writing and illustration process from getting started writing for different markets and genres and preparing an illustration portfolio through to submission to literary agents and publishers It also covers the financial contractual and legal aspects of being a writer and illustrator Widely recognised as the essential support for authors and illustrators working across all forms fiction non fiction poetry screen audio and theatre it is equally relevant to those wishing to self publish as well as those seeking a traditional publisher agent deal It includes advice from bestselling writers such as Sarah Crossan Kiran Millwood Hargrave Tom Palmer David Wood and many more Additional articles free advice events information and editorial services at www.writersandartists.co.uk

charm and the sendups of league football academic posturing Romeo and Juliet and cheesy sports dramas are razor sharp and hilarious but never cruel At its heart this is an intelligent cheeky love letter to football its fans and the unifying power of sports Publishers Weekly Football aka soccer comes to the ancient city of Ankh Morpork upending the wizards of Unseen University and dividing Discworld in this wonderfully funny novel in Sir Terry Pratchett s internationally bestselling series The wizards at Ankh Morpork s Unseen University are renowned for many things wisdom magic teatime but athletics not so much When Lord Vetinari the city s benevolent tyrant strongly suggests to Archchancellor Mustrum Ridcully that the university revive its sports program and field a football team composed of faculty students and staff or lose the funding that pays for their nine daily meals the wizards of UU find themselves in a quandary First they have to understand what makes foot the ball so popular with Ankh Morporkians Then they have to learn how to play it and win without using magic Of course the thing about football is that it is never just about football The Discworld novels can be read in any order but Unseen Academicals is the seventh and final book in the Wizards collection and 37th Discworld book The other books in the Wizards collection include The Color of Magic The Light Fantastic Sourcery Eric Interesting Times The Last Continent [Maskerade](#) Terry Pratchett,2009-10-13 A master storyteller A S Byatt The nineteenth installment in Sir Terry Pratchett s beloved Discworld series which has sold more than 23 million copies worldwide There s a kind of magic in masks Masks conceal one face but they reveal another The one that only comes out in darkness The Ghost in the bone white mask who haunts the Ankh Morpork Opera House was always considered a benign presence some would even say lucky until he started killing people The sudden rash of bizarre backstage deaths now threatens to mar the operatic debut of country girl Perdita X nee Agnes Nitt she of the ample body and ampler voice Perdita s expected to hide in the chorus and sing arias out loud while a more petite presentable soprano mouths the notes But at least it s an escape from scheming Nanny Ogg and old Granny Weatherwax back home who want her to join their witchy ranks Once Granny sets her mind on something however it s difficult and often hazardous to dissuade her And no opera prowling phantom fiend is going to keep a pair of determined hags down on the farm after they ve seen Ankh Morpork The Discworld novels can be read in any order but Maskerade is the fifth book in the Witches series [Reaper Man](#) Terry Pratchett,2009-10-13 Engaging surreal satire nothing short of magical Chicago Tribune The eleventh installment in the Discworld fantasy series from New York Times bestselling author Terry Pratchett in which Death has been fired by the Auditors of Reality and Ankh Morpork s undead and underemployed set off to find him They say there are only two things you can count on But that was before Death started pondering the existential Of course the last thing anyone needs is a squeamish Grim Reaper and soon his Discworld bosses have sent him off with best wishes and a well earned gold watch Now Death is having the time of his life finding greener pastures where he can put his scythe to a whole new use But like every cutback in an important public service Death s demise soon leads to chaos and unrest literally for those whose time was supposed to be up like Windle Poons The oldest geezer in the entire

faculty of Unseen University home of magic wizardry and big dinners Windle was looking forward to a wonderful afterlife not this boring been there done that routine To get the fresh start he deserves Windle and the rest of Ankh Morpork s undead and underemployed set off to find Death and save the world for the living and everybody else of course The Discworld novels can be read in any order but Reaper Man is the second book in the Death series The Death collection includes Mort Reaper Man Soul Music Hogfather Thief of Time *Contemporary Authors* Tracey Watson,2004-04 These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original *Contemporary Authors* entries A softcover cumulative index is published twice per year included in subscription

The Truth Terry Pratchett,2009-10-13 Pratchett s *The Truth* will set you free and laughing If Dr Who had been conceived written and performed by Monty Python s Flying Circus the result might be something like Discworld *The Truth* sets its sights on an enduring institution the news media and skewers it CNN Ankh Morpork gets its first newspaper unleashing a war of words and a battle for the truth in this in this funny wise and prescient novel in Sir Terry Pratchett s internationally bestselling Discworld series The Discworld has seen just about everything Then comes the Ankh Morpork Times its first paper of record edited by struggling scribe William de Worde and staffed by a band of axe wielding dwarfs and a recovering vampire with a life threatening passion for flash photography Reporting the news is a risky business An ethical journalist de Worde has a nasty habit of investigating stories that quickly create powerful enemies eager to stop his presses And what better way than to start the Inquirer a titillating tabloid that conveniently interchanges what s real for what sells When de Worde gets a tip on a hot story concerning Ankh Morpork s leading patrician Lord Vetinari all hell breaks loose leaving the city without a leader The facts say Lord Vetinari is guilty But as William de Worde learns facts don t always tell the whole story There s that pesky little thing called the truth The Discworld novels can be read in any order but *The Truth* is a standalone

Sourcery Terry Pratchett,2009-10-13 Delightful logically illogical as only Terry Pratchett can write Anne McCaffrey Will the most unlikely hero in all of Discworld save the universe once again or has his luck finally run out in this wildly funny installment in Sir Terry Pratchett s internationally bestselling series a hilarious mix of magic mayhem and Luggage Once upon a time there was an eighth son of an eighth son who was of course a wizard As if that wasn t complicated enough said wizard then had seven sons And then he had an eighth son a wizard squared that s all the math really who of course was a source of magic a sourcerer Unseen University the most magical establishment on the Discworld has finally got its wish the emergence of a wizard more powerful than they ve ever seen But be careful what you wish for As the drastic consequences of sourcery begin to unfold it s up to one unlikely wizard to save them Rincewind has survived a string of misadventures including falling off the edge of the world which is no mean feat when it s flying through space on the back of a turtle and held up by four elephants Now he must take the University s most precious artifact the very embodiment of magic itself and deliver it halfway across the Disc to prevent a mathematically blessed sourcerer from leading the wizards to

dominate all of Discworld Can Rincewind and his tiny band including the carnivorous Luggage stave off the Apocalypse The Discworld novels can be read in any order but Sourcery is the 3rd installment in the Wizards series and the 5th Discworld book The other books in the Wizards collection include The Color of Magic The Light Fantastic Eric Interesting Times The Last Continent Unseen Academicals *Men At Arms* Terry Pratchett, 1997-02-01 A Young Dwarf's Dream Corporal Carrot has been promoted He's now in charge of the new recruits guarding Ankh Morpork Discworld's greatest city from Barbarian Tribes Miscellaneous Marauders unlicensed Thieves and such It's a big job particularly for an adopted dwarf But an even bigger job awaits An ancient document has just revealed that Ankh Morpork ruled for decades by Disorganized crime has a secret sovereign And his name is Carrott And so begins the most awesome epic encounter of all time or at least all afternoon in which the fate of a city indeed of the universe itself depends on a young man's courage an ancient sword's magic and a three legged poodle's bladder
